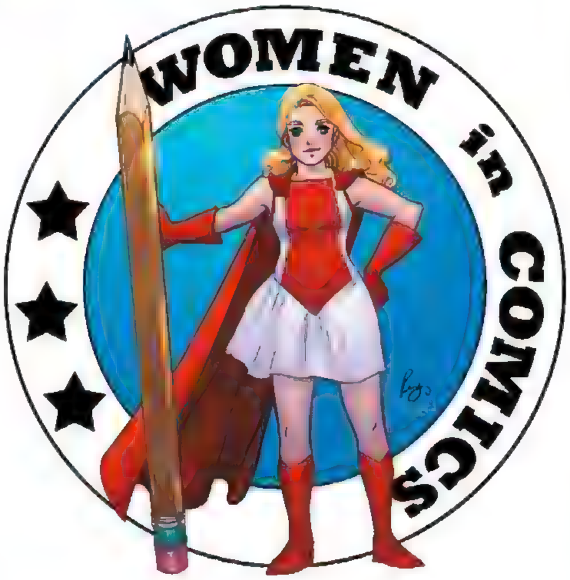
WOMEN IN COMICS MONTH 2019!

This issue of PREVIEWS celebrates the many women who work within the comics industry and community, whether it is behind-the-scenes as publishers, editors, marketing, design or translation, or in the creative spotlight as writers and artists. Throughout this issue you'll find our "Women in Comics" icon pointing out a deserving title featuring female creators. Beginning on page 248 of this issue, you'll find a selection of recommended Women in Comics titles available this month.



ALSO, IN THIS ISSUE: KEVIN EASTMAN INTERVIEW

It all started when Kevin Eastman and his friend Peter Laird brainstormed a potential new project from a single sketch of a masked, martial arts turtle. 35 years later, the *Teenage Mutant Ninja Turtles* have become a worldwide phenomenon and Kevin Eastman, no worse for the wear (or the mileage), is back with a new publishing launch — and a familiar storyline — with ***Drawing Blood: Spilled Ink***. In an exclusive interview, Eastman talks about the new series, his early days and influences, and the new creative team he's assembled for the series!

SUMMER CAN YOU HEAR ME? (I DON'T WANT TO BUILD A SNOWMAN.)

Yesterday, February 5th 2019, was a glorious day. When my pal Tom Jones (no relation) and I left the office to go to lunch, we were greeted by a most unusual setting: the sun was shining, and the temperature? A balmy 69 degrees! It was as if spring had sprung and that maybe, just maybe, that groundhog weather prognosticator, "Punxsutawney Phil", might just actually be right this year! Today it was a bit cooler (only by a few degrees), but Thursday promises temperatures in the mid-60s. So we have that going for us, which is nice.

But enough about the weather (spring will be here in a few short weeks… stay away SNOW!), let's get on with what's new in **PREVIEWS** this month!

This March issue, just like previous years, is dedicated to our annual celebration of ***Women in Comics***! And like usual, we've loaded our Print section with the best in new and backlist titles available! Over on page 248, you will find the special ***Women in Comics*** selection of backlist titles; a great collection of graphic novels and books that represent only a fraction of the great works being written and illustrated by women. Our ***Indie Edge*** feature this month profiles Marcia Chen, a talented young woman who splits her time working behind-the-scenes at Benitez Productions and out front writing the continuing adventures of ***Lady Mechanika***! And of course, elsewhere throughout this issue, you need only keep an eye open for our ***Women in Comics*** icon to find more great titles — new and backlist — from some of today's most talented and influential female creators!

Elsewhere in our Print section, ***Teenage Mutant Ninja Turtles*** co-creator Kevin Eastman launches a new self-titled imprint (Kevin Eastman Studios) to produce his new original series, ***Drawing Blood***! This semi-autobiographical series tells the story of Shane "Books" Bookman, a guy very similar to Kevin, who once upon a time created a cult-classic indie comic book called ***Radically Rearranged Ronin Ragdolls***. The great thing about the series, is that it not only uses Eastman's life as a template for Bookman, but takes the story into original concepts and ideas, beyond the history of Eastman's own life experiences. The series is supported by a "facsimile" edition of the first issue of the ***Radically Rearranged Ronin Ragdolls***, featuring '90s-style storytelling and multiple variant covers, including one by *Usagi Yojimbo* creator, Stan Sakai! It's a fun book and one I look forward to following.

As always, I think we have a solid issue of great products and offerings (plenty of cool Japanese robots and kaiju in IMPORTS!), and things are only going to get better as we move into the summer months! I hope you plan on coming with us.

Your Pal @ **PREVIEWS**

Marty

It's all work *and* lots of fun at the fictional Berke's Comic Shop in our new strip, ***Comic Shop Tales***! Come back each month for a new tale, and go online at ***PREVIEWS*****world.com** for more strips during the month!

SPIDER MAN

Spider-Man, X-Men Dominate Hake's Online Comic Auction Sales

In January 2019, Hake's Auctions held an online comics auction featuring Golden to Modern Age comics with many first appearances and key storylines. In particular, collectors gravitated towards the Spider-Man and X-Men keys.

Some of the top Spidey sales were *Amazing Fantasy* #15 CGC 3.0 (first Spider-Man) for $16,555 and *Amazing Spider-Man* #1 CBCS 4.5 (first J. Jonah Jameson and Chameleon) for $8,047. X-Men key sales were *X-Men* #1 CGC 4.5 (first Professor X and Magneto) for $5,428, #12 CGC 7.0 (first Juggernaut) for $552, and #102 CGC 9.8 (Storm's origin) for $441.

……

The Crow: 30 Years of Resurrection

Comic book stories aren't always fun romps with optimistic heroes – some are darker. *The Crow*, a popular gritty title, turned 30 years old in January. Created by James O'Barr, the Crow was first published by Caliber Comics, debuting in *Caliber Presents* #1 (January 1989).

The original series was the tragic story of Eric Draven and his fiancée, Shelly, who were killed by a gang. The Crow resurrected Eric to take vengeance on the murderers, imbuing him with special abilities for his quest. Since then, the Crow has resurrected several other murdered victims in comics from Kitchen Sink, Image, Titan Books, and IDW, as well as on film, TV, and in games.

……

Amethyst, Princess of Gemworld

In 1983, Dan Mishkin, Gary Cohn, and Ernie Colón introduced readers to the magical Gemworld and its teenage Princess, Amethyst. She debuted in *The Legion of Super-Heroes* #298, followed by *Amethyst: Princess of Gemworld*, which established her identity as the orphaned princess of Gemworld and introduced villains like Dark Opal.

Amethyst grew up on Earth, unaware of her real identity until she returned to Gemworld as a teenager. There, she transformed into her true self, a woman with magical powers. Using the newfound abilities, she rebelled against Dark Opal's oppression of Gemworld. Joined by the winged unicorn, Max, Amethyst gained allies to defeat Dark Opal and liberate Gemworld.

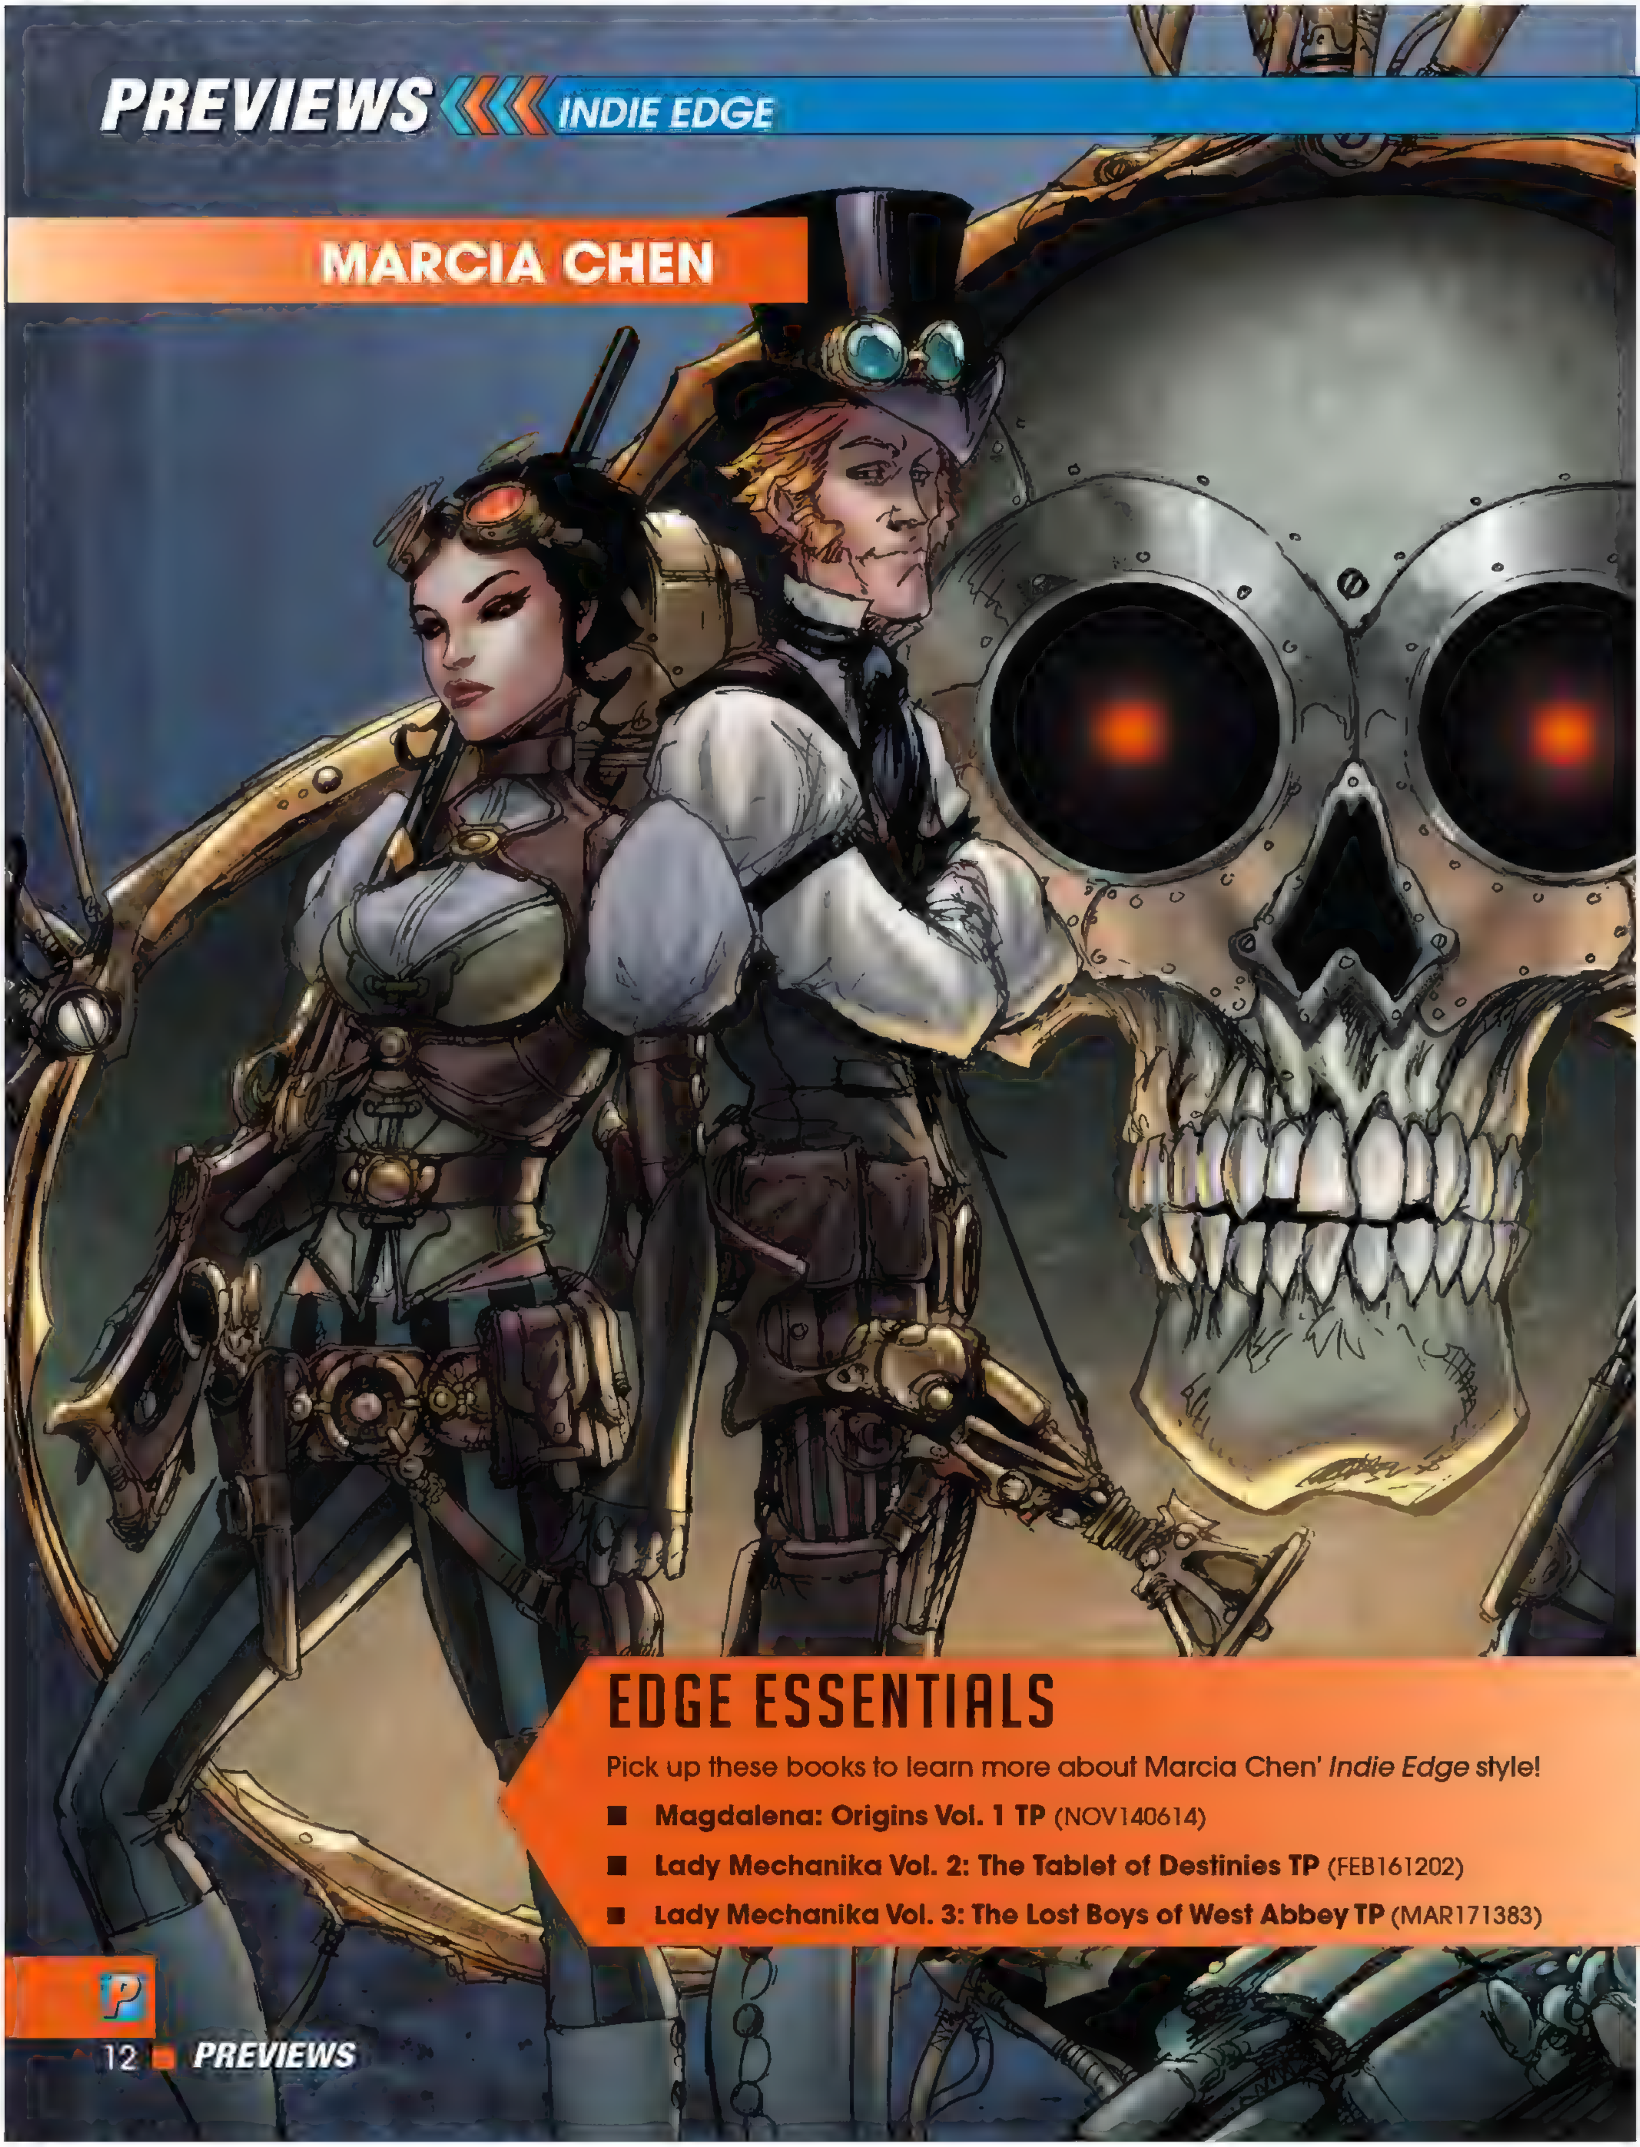
MARCIA CHEN



EDGE ESSENTIALS

Pick up these books to learn more about Marcia Chen' *Indie Edge* style!

- **Magdalena: Origins Vol. 1 TP** (NOV140614)
- **Lady Mechanika Vol. 2: The Tablet of Destinies TP** (FEB161202)
- **Lady Mechanika Vol. 3: The Lost Boys of West Abbey TP** (MAR171383)

Please tell us a bit about yourself!

I make comics for a living, which is pretty awesome! I love telling stories that take readers to a different place, or a different time, but with characters and themes that mirror our real-world experiences. My past writing work includes *Magdalena* (*Origins Vol. 1* / NOV140614) and *Ascension* for Image Comics, and *Wraithborn* (Vol. 1 / AUG161285) and *Lady Mechanika* for Benitez Productions. I am currently also the managing editor for Benitez Productions... which often takes up more of my time than actual writing!

What are your favorite projects you've contributed to over the past decade?

Hard to imagine but I've been working on *Lady Mechanika* for almost 10 years! My favorite project was probably the third *Lady Mechanika* story, "Lost Boys of West Abbey" (*Vol. 3* / MAR171383), because the artist and I started collaborating and communicating better, and the end-product turned out better and more cohesive. The story was also a little bit darker than the previous stories, which I prefer.

What are you currently working on?

I'm working on the next *Lady Mechanika* story, "Sangre", which should be debuting in June. This is another darker storyline that takes place in Spain, when some kind of demonic creature is allegedly attacking local villagers... but Lady Mechanika suspects that something far more sinister and disturbing is actually taking place!

What fun titles are you reading?

I've been reading some other steampunk-esque books lately including Siya Oum's ***Lola XOXO*** (*Vol. 1* / OCT151122), which is more post-apocalyptic/dystopian fiction, and Marjorie Liu's ***Monstress*** (*Vol. 1* / APR160803), which is more Art Deco/historical fantasy.

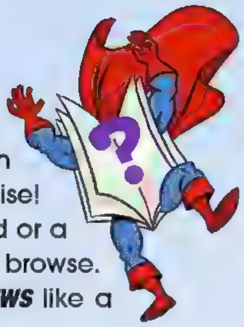
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

WHAT'S@ COMIC SHOPS

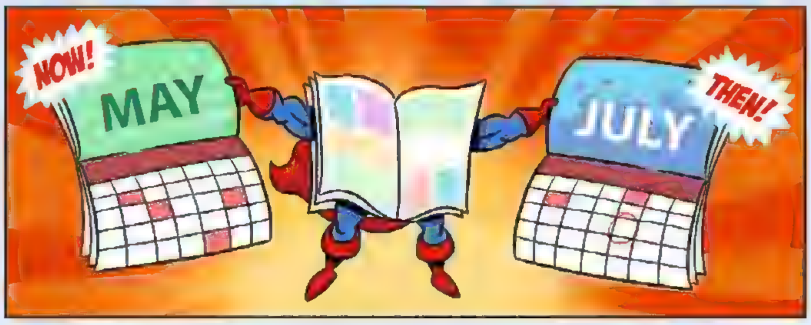
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
THEN!
JULY

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the **May** issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in **July**. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of ***PREVIEWS***, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month

The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through ***PREVIEWS***! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Essential Item

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.
Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

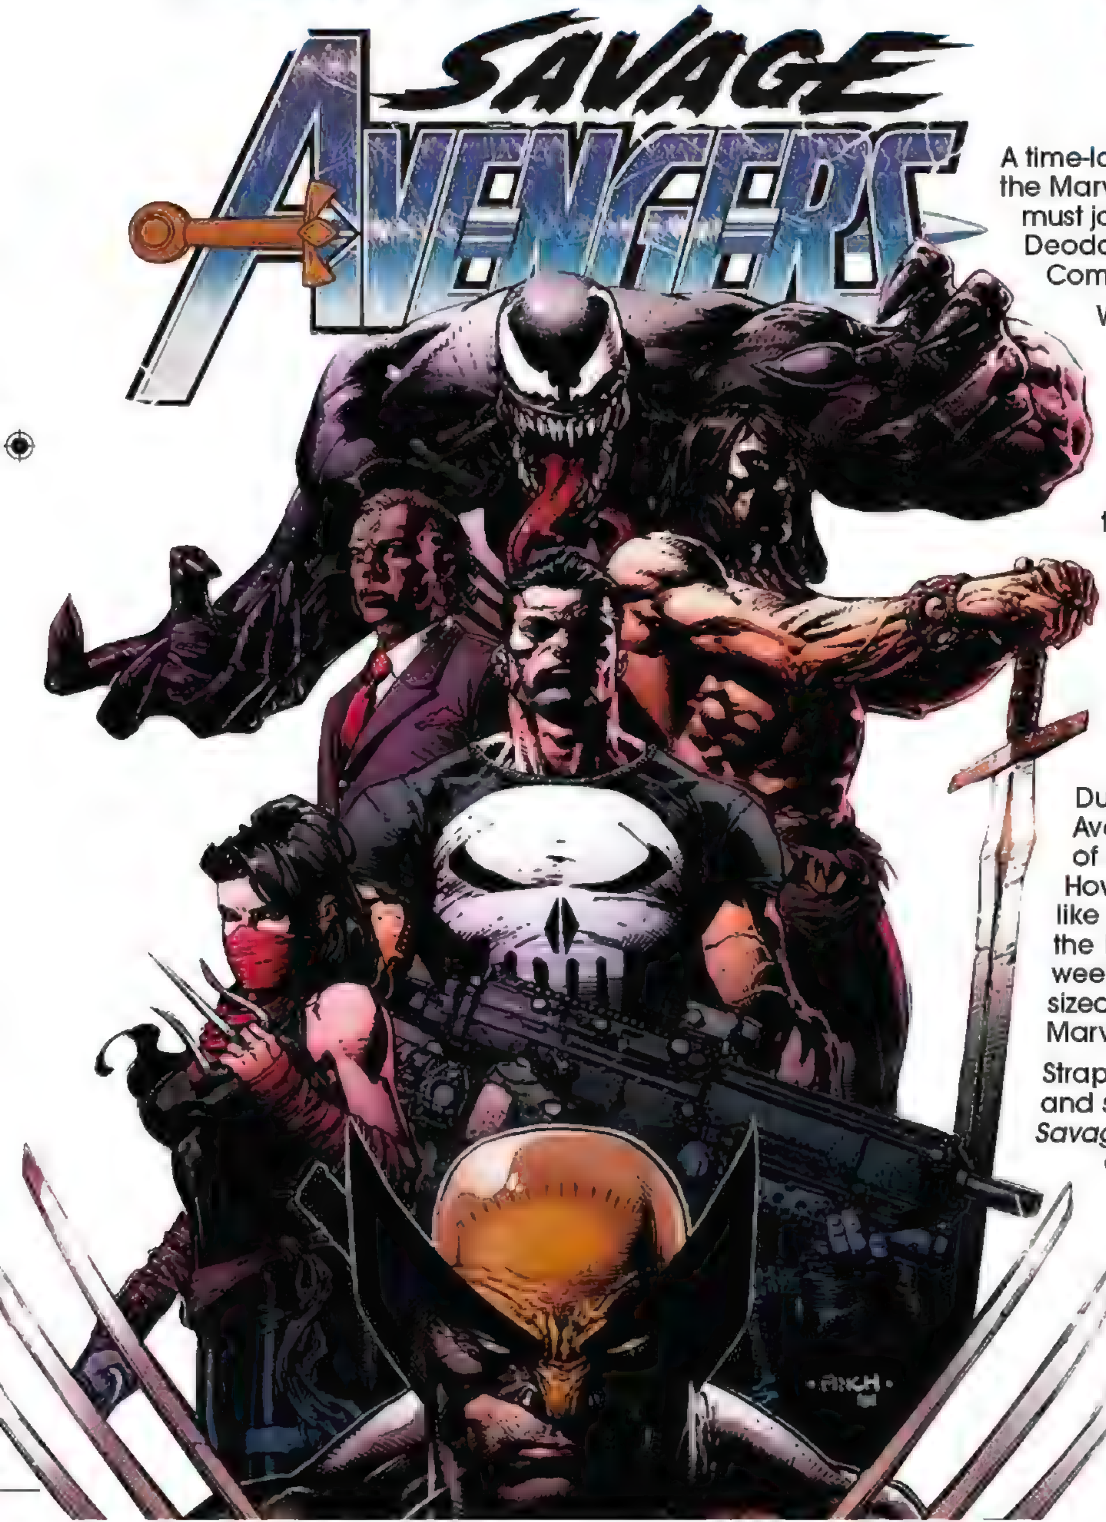
MARVEL'S DEADLIEST HEROES JOIN FORCES IN



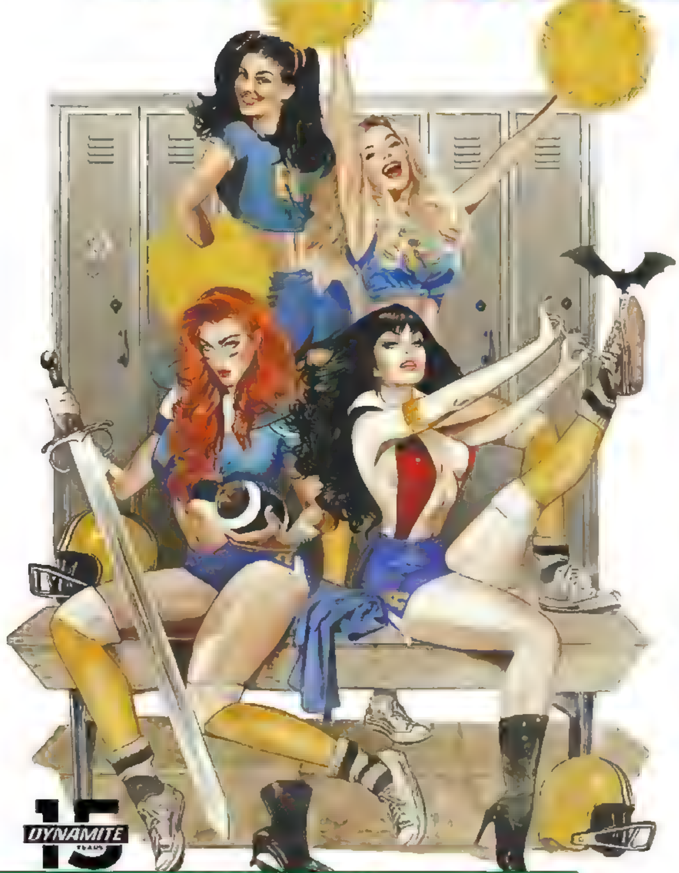
MP-2 ■ Marvel *PREVIEWS*
$4.99

A time-lost warrior from Earth's pre-history and the Marvel Universe's most savage heroes must join forces in Gerry Duggan and Mike Deodato, Jr.'s *Savage Avengers* from Marvel Comics this May!

When the world is faced with the twin threats of the Hand and the Marrow God, it will take a group of heroes unafraid to do what needs to be done, no matter the cost, to counter the threat. Wolverine, Venom, Elektra, and the Punisher all fit that bill, but they cannot do it alone — and Conan the Barbarian can tilt the balance in their favor, assuming Wolverine and Conan can settle their own dominance issues first!

Bringing together the Marvel Universe and Robert E. Howard's legendary sword-and-sorcery hero in an ongoing series for the first time, Gerry Duggan and Mike Deodato, Jr.'s Savage Avengers combines the super-hero action of Marvel Comics with the wild fantasy of Howard's best fiction for an experience like none other on the stands! Debuting in the Free Comic Book Day special the first weekend of May, then followed by an over-sized first issue, the *Savage Avengers* will be Marvel Comics most brutal team ever!

Strap on your swords, check your arsenal, and sharpen your swords and claws as the *Savage Avengers* are on the hunt in Duggan and Deodato's new series for Marvel Comics this spring!



RIVERDALE'S BFFS JOIN FORCES WITH AN ANCIENT WARRIOR AND A VAMPIRE IN DYANMITE'S NEW CROSSOVER

A series of unsolved murders in a small American town attract the attention of two investigators who specialize in the supernatural — Red Sonja, a barbarian swordswoman from prehistory, and Vampirella, an alien vampire from space. The town is Riverdale, USA, and two of the town's high school journalists — Betty Cooper and Veronica Lodge — are already on the case, and this quartet, two from Archie Comics, two from Dynamite Entertainment, join forces in 2019's most unexpected crossover, Dynamite Entertainment's *Red Sonja and Vampirella Meet Betty and Veronica!* Written by Amy Chu with art from Maria Sanapo, and a bevy of variant covers from artists including Francesco Francavilla, Robert Hack, Dan Parent, Laura Braga, and more, this series mixes high school hijinks, horror, sword-and-sorcery, and the supernatural for an event that can't be missed!

LEV GROSSMAN PENS AN ORIGINAL GRAPHIC NOVEL BASED ON HIS NOVEL SERIES, *THE MAGICIANS*

Over the last decade, novelist Lev Grossman published three novels in *The Magicians* trilogy, about a college student, admitted to a school of sorcery, who discovers that the world of a series of fantasy novels he read as a child is real. *The Magicians* was adapted to television for SyFy, and now Grossman returns to the world of the novels with an original graphic novel for BOOM! Studios, *The Magicians: Alice's Story*. Focused on Alice, a character in the novels who is gifted with magic and comes from an unsettled and unstable family background, this graphic novel reveals her backstory. Cowritten by Grossman and Lilah Sturges (*Jack of Fables*) with art from Pius Bak, *The Magicians: Alice's Story* is an essential chapter in Grossman's fantasy saga!

GEORGE TAKEI TELLS THE STORY OF HIS CHILDHOOD IN AN AMERICAN INTERNMENT CAMP IN A GRAPHIC MEMOIR

American history is replete with incidents that challenge the ideals of the founding documents that all men are created equal and that we all have the right to life, liberty, and the pursuit of happiness — slavery; the Trail of Tears the theft of native lands, and reservations; segregation and Jim Crow laws; nativism and the Chinese Exclusion Acts; and the Japanese internment camps during World War II. These dark chapters in American history need to be reckoned with and remembered, so Americans can work to live up to their founding ideals, and that is why *They Called Us Enemy*, a graphic novel from George Takei (*Star Trek*), as an American of Japanese descent, about his experience in the internment camps, is so important.

With the World War II generation dwindling in number every day, the fact that the United States set up concentration camps for American citizens, out of fear that Japanese-Americans were more loyal to their ancestral country than the United States, is passing from living memory. Takei's graphic novel *They Called Us Enemy*, co-written with Justin Eisinger and Steven Scott and illustrated by Harmony Becker, powerfully documents Takei's boyhood experience as one of those relocated from the west coast and interred in a camp so that this dark chapter of American history can be remembered for a new generation so that it can never happen again.

THE HEIR TO A FAMILY OF MAGICIANS CHALLENGES A SECRET SOCIETY IN IMAGE'S *EXCELLENCE*

For a thousand years, a secret society of black magicians – the Aegis – has protected and guided humanity from behind the scenes, training its acolytes to use their magic for the betterment of others but never themselves. Spencer Dales is the son of a line of Aegis magicians, trained almost from birth to use his powers for others, not himself. But Spencer chafes at this restriction, and he sees an ancient order deeply out of touch with the world, of magicians who lurk in the shadows rather than revel in the light. With the fire and passion of youth, he will challenge the Aegis – and his own father – in Brandon Thomas and Khary Randolph's new Image Comics series, *Excellence!*

Drawing on black culture and their own family experiences, Thomas and Randolph's Excellence is a labor of love, an experience crafted that, like in the best fiction, reveals human truths about the world and makes readers feel and think. If there's one modern fantasy you read this spring, pick up Image Comics' *Excellence* this May!

DISCOVER *STRANGER THINGS*' BACKSTORY IN DARK HORSE'S PREQUEL COMIC

Throughout the Cold War, the United States government engaged in a series of clandestine experiments on human subjects known as Project MKUltra. This project was aimed at developing interrogation methods to break the subject through drug use, psychological torture, and even parapsychology. The Hawkins National Laboratory in Hawkins, Indiana was the site of one of those experiments. In Netflix's *Stranger Things*, we meet Eleven, one of the subjects of the project's experiments. Dark Horse Comics takes us back in time to introduce readers to an earlier subject of Project MKUltra in *Stranger Things: Six* from Jody Hauser, Edgar Salazar, and Troina Farrell. In *Stranger Things: Six*, a troubled teenager discovers that she has precogntive abilities, which makes her a target for the United States government and their horrific experiments. If you want to know what happened before the Netflix series, pick up Dark Horse's *Stranger Things: Six* #1 this May!

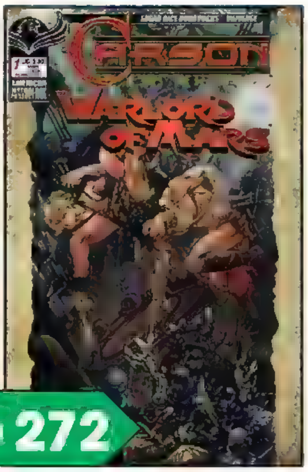
THE HEROES OF TWO WORLDS UNITE IN A SINGLE SWORD-AND-PLANET ADVENTURE



In the early 20th-century Edgar Rice Burroughs created the "sword and planet" genre – human warriors on an alien world, with only their strength and their swords to save them. Two of his heroes – John Carter and Carter Napier – are united in a battle on a third planet in American Mythology's *Carson of Venus/Warlord of Mars* from David Avallone and Cyrus Mesarcia. Like an untold Burroughs tale, this is unparalleled pulp adventure on an alien world!

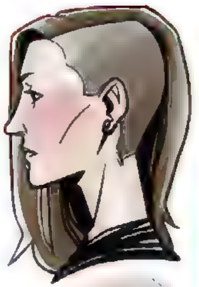
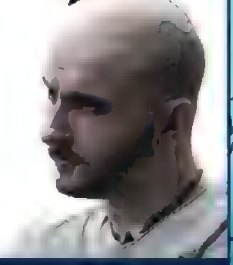
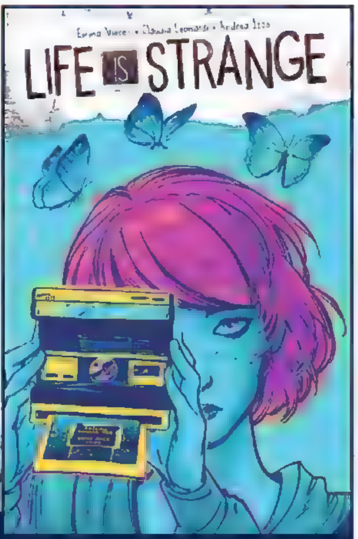
TITAN COMICS

SMASH HIT GAMING COMIC *LIFE IS STRANGE* RETURNS!

Life Is Strange, the award-winning video game from *Square Enix* and *DONTNOD*, told a tragic tale of time-travelling teenage drama that left over 3 million fans begging for more. The story continues in the *Life Is Strange* comic, now ongoing by (very) popular demand – the second arc begins this month, in #5!







Emma Vieceli • Claudia Leonardi • Andrea Izzo
LIFE IS STRANGE

Claudia Leonardi and **Andrea Izzo** have received universal acclaim as the line artist and colorist for this series. How does this art team go about bringing a modern gaming classic to the page?

CLAUDIA LEONARDI & ANDREA IZZO

Were you fans of *Life Is Strange* before starting this series?

Claudia Yes! I started playing around the second chapter. Ever since I finished the game I was dreaming about drawing a sequel for the story, so I'm really happy and proud to be part of the team!

Andrea It was actually Claudia that introduced me to the game. I still listen to the soundtrack in my car!

> **"I was dreaming about drawing a sequel ever since I finished the game..."**

What other games do you enjoy?

Claudia None at the moment. I just don't have the time!

Andrea I play almost every game I can, on every console! Games are my number one passion... unfortunately!

What kind of research did you undertake for *Life is Strange*?

Claudia I used the game and its concept art for the settings and main characters. I also did a lot of research into outfit styles for our new character designs. Since I've never been to the USA, I used Google Maps to take long 'trips' from Seattle to the Portland Bay area, to try to capture the right mood for the setting.

Andrea For this comic I tried to recreate the atmospheres and feelings the game gave me. I generally take inspiration from a lot of TV series and cartoons.

How closely do you collaborate?

C&A We are lucky enough to work in the same office, so we can always talk and work together during the process. It means we can find solutions to match and properly balance colors and lineart.

What's your process in working with Emma Vieceli?

Claudia Emma writes wonderful scripts. Just by including little details she's able to give me the whole picture of a scene, while leaving room for my personal interpretation of what she wrote, so it is actually quite fun to work with her! She is also so deep inside the minds of these characters that, as a fan of the game, I just loved to work over her script!

Andrea I quote Claudia.

> **"I've never been to the USA! I had to use Google Maps to take long 'trips' from Seattle to the Portland Bay area, just to capture the mood."**

What are the challenges of illustrating a series like this?

Claudia Keeping up with all the little details that change between the various timelines! ...and, of course, remembering to draw Chloe's tattoo in every scene!

Andrea Trying to keep the colors of characters, places, and atmospheres as similar as possible to how they appeared in the game.

What do you most enjoy about your work on *Life is Strange*?

C&A Other than being able to draw and color some of our favorite characters from the game? We loved the new characters: the High Seas!

Oh... and there's one particular scene in issue #4 we were overjoyed to illustrate. We don't want to spoil anything!

> **"There's one scene in #4 that we were overjoyed to illustrate. No spoilers!"**

Any special message for the fans?

C&A Thank you! Keep supporting the comic, and follow us on Instagram!

Andrea Actually, only I have a proper Instagram account. She has one, but she hasn't posted anything yet. ...you're going to start soon, right?

Claudia Sure!

Andrea Again... thank you for supporting the comic! And eat your veggies!

What are you looking forward to about this upcoming new story?

C&A Unfortunately we can't unveil anything on the official series just yet. We can't even show our new cover until #4 has been out for a few weeks!

...but if we had a say, we *would* like to see some ***Life Is Strange*** characters who have yet to appear in the comic!

Check out the Titan Comics section for more information!

FANTASY

Spencer Dales was born into a world of magic. His father belongs to the Aegis, a secret society of black magicians ordered by their unseen masters to better the lives of others—those with greater potential—but never themselves.

Now it's time for Spencer to follow in his father's footsteps, but all he sees is a broken system in need of someone with the wand and the will to change it. But in this fight for a better future, who will stand beside him?

KHARY RANDOLPH (**We Are Robin**, **Noble**, **Black**, **TECH JACKET**) and **BRANDON THOMAS** (**HORIZON**, **The Many Adventures of Miranda Mercury**, **Noble**, **Voltron**) ignite a generational war in this action-fantasy series, made entirely by creators of color, and committed to one truth above all others—**Excellence is Real.**

CREATOR SPOTLIGHT

Spencer strives for his father's affection and struggles to live up to his legacy as a magician. What drew you to an underdog protagonist?

THOMAS: This is the most personal story I've ever told, and in many respects Spencer's relationship with his father mirrors my own. Having to combat and harness those feelings of being denied something you feel you more than deserved, is probably the main emotional theme of **EXCELLENCE**. I'm pouring as much of that pain and confusion and frustration into every relationship in this book, and I hope it continues to come through.

RANDOLPH: It's very easy for a young man to be angry at the world, and that anger can consume you if you were to let everything get to you. The great part of illustrating Spencer is the ability to get all of the frustrations out and "explode" on the paper. It's liberating.

What inspired using magic as a way to address generational friction?

THOMAS: We wanted to really reflect how difficult it is to tear down the world and then rebuild it, even when you're carrying a magic wand. No spell can instantly upend the systems keeping the world the way it is, but when you're young, that's almost exactly what you think.

RANDOLPH: The stories that have always resonated with me the most were the ones that touched upon my reality in a personal way. You can draw guys punching each other in the face all day, but if there isn't real humanity behind it, it loses its gravity. We just use the outlandish narratives to talk about the human condition. At the end of the day the primary goal is to entertain, but also hopefully make people think. This is soul food.

EXCELLENCE is a great example of magic realism, contrasting the comfort of a barbershop visit with spell casting. How did you both balance, and merge, those worlds?

THOMAS: One definitely informs the other. Since the core father-son relationship is somewhat dysfunctional, it was important for Spencer to have a family connection that provided him some refuge. His grandmother, who he calls GG, is a major force that influences every action he takes. It also continues a trend of having some bad-ass old lady in all my books, based on my own late grandmother.

Another larger idea is throwing back the curtain on this secret, unseen existence that many of the people of color have in this book. You'll notice that black and brown folks are either completely ignored in the book, or are seen as end of the world threats, which is a not-so subtle criticism of our world right now.

What can readers expect from EXCELLENCE #1 and beyond?

THOMAS: One of the best-looking, most exciting comics on the shelves. Some of us have known all about Khary since 2004, and he's produced some amazing artwork over the years, but if there's anyone left that doesn't already know he's one of the best doing it, they will real soon. What he and colorist Emilio Lopez are doing is going to blow people away, and we're all trying to internalize the name of this book.

FANTASY/ACTION & ADVENTURE

From **KEN GARING**, the writer/artist of the acclaimed series **PLANETOID**, comes an all-new ongoing series of wonderfully weird high fantasy!

Deep underground, among the floating islands of Altara, the mystical Gogor sleeps. But trouble brews above ground as soldiers of the Domus impose their will across the land. Now, a young student named Armano must awaken Gogor and begin his quest to protect the culture of Altara. This debut issue kicks off with 28 pages of story!

CREATOR SPOTLIGHT

Can you describe the world of* GOGOR*?

The world is called Altara. It's a massive rotating ring of floating islands upon which many different people, creatures and environments are situated. It has a long and mostly unknown history.

And how would you describe your protagonist, Armano?

He's a young student of the Natural Arts. He hasn't seen much of Altara, but of course that's about to change as he starts his quest after his school is attacked.

There's a purity and innocence to this project; who do you envision as the series' primary audience?

It's a great comic for young adults, although I created it to be accessible to everyone, including non-comic readers. As for the tone, I wanted to do something that deals with serious themes, but with a sense of sincerity and heart rather than the sarcasm that I see in a lot of current popular culture.

It also reads like an evolution of '70s fantasy pioneers Moebius and Richard Corben and some of Jack Kirby's latter adventure comics. Are they an influence?

Absolutely, those are three of my favorite artists. There's much to say about all three, but one point I tried to incorporate into **GOGOR** is the openness and clarity of their work. Modern artists tend to zoom in on the details too much, and the images lose their power and directional thrust. With **GOGOR**, I wanted to make big, strong, clear images with a focus on shape, direction and color.

Who (or what) is Gogor?

Gogor is a mystical creature, but I can't say much more because discovering the nature of Gogor is one of the central mysteries that Armano must piece together.

The first issue hints at an exploration of environmentalism and colonialism. What themes are you excited to articulate in these pages?

The series will address many political themes, but in an open-ended, exploratory way. Our own world is clearly in a state of flux and definitive solutions aren't as forthcoming as we would like to believe. So my approach is to question and explore possibilities, rather than articulate any prescriptions. The best science-fiction and fantasy manages to do this.

The world of* GOGOR *and its ring of floating islands are massive. What was your process for developing this new universe?

In preparing the series, I established a few rules for how things in work in Altara and a history that makes sense. Outside of that, I left things open so that I can create as I proceed. Otherwise it becomes too cumbersome and you wind up telling the audience about your world rather than showing them.

What can fans expect from the first issue of* GOGOR*?

It's a dense first issue (28 pages) filled with a lot of colorful action and characters. There's also a fair amount of mystery. It's the beginning of a quest, so there's a lot to discover and I've sprinkled in some early clues to reward readers who stick with the series.

I wonder, will it secretly please you as much as it pleases me?
Do you joy in the machinations of God?
CHOMP

Ezra, Wolf, Bodaway of the The Endless Nation, Antonia, and Archibald meet at Armistice.

Archibald attempts and fails to assassinate Xiaolian, starting a bitter feud.

The Endless Nation dispatches ambassadors sent from The Union.

The Ranger saves Bel Solomon from a public hanging.

The Endless Nation conquers The Texas Republic and forms an alliance with Xiaolin and the PRA.

The Horsemen are reborn into new adult bodies.

The Ranger and Bela Solomon attack the meeting, injuring Ezra Orion, who orders his demon, Buer, and worshipping Pilgrims to kill the Chosen.

Wolf eats Ezra, becoming the new vessel of The Word; Buer and the Pilgrims swear allegiance.

Now free, Balloon manipulates Babylon into killing a herd of wild boars, save a boarlet who the child bonds with—Doctor Tusk.

Babylon, Balloon, and Doctor Tusk kill a band of assassins; Death unites with them.

Xiaolian declares war on the Confederacy.

After Xiaolian fails to assassinate Chamberlain, he launches a missile attack on the PRA.

Wolf becomes Chief of the Endless Nation.

Ranger heals and reignites his mission to kill John Freeman.

Chamberlain confronts Bel Solomon and Ranger, killing Ranger's dog and wounding him.

A mob captures and burns Union President Antonia LaVey.

Wolf, The Endless Nation, and the PRA invade and conquer the Union.

2066 AD
YEAR THREE OF THE APOCALYPSE

En route to see Xiaolian, Death and Babylon fight a Horseman-planned attack from the Kabbalist Remnant.

In the confusion, the Horsemen approach Babylon and swear allegiance; he leaves with them in exchange for his father's life.

Music, art, and technology are forever intertwined in Larry Marder's *Beanworld*. In this omnibus collection that features three standalone graphic novels, the Boom'r Band teaches Beanish their musical secrets, and the Pod'l'pool Cuties discover the power of flight! Marder's deceptively simple art style works in tandem with multi-layered narratives that run by Beanworld's own rules, truths, and lingo. All characters—whether friends or adversaries—depend on interactions with each other for the ultimate survival of their environment. *Beanworld* has delighted readers from grade school to grad school for more than a generation, earning a spot on the *New York Times* Graphic Books Best Sellers List. Collects *Beanworld* HC volumes 3, 3.5 (*Tales of the Beanworld* in b&w), and 4, with a bonus sketchbook section.

While her sisters were blessed at birth with exceptional skills, Princess Basil's "gift" is to be ordinary. But *can* a princess be ordinary?

After escaping an unconventional kidnapping, Princess Basil finds herself far from her castle and must take fate into her own hands. She tracks down the fairy godmother who "blessed" her, and finds the solution to her ordinariness might be as simple as finding a magic ring. With an unlikely ally in tow, she takes on gnomes, a badger, and a couple of snarky foxes in her quest for a less ordinary life.

2199 will be Earth's final year—unless the voyage of space battleship *Yamato* can succeed! The alien Gamilas have devastated the biosphere, determined to reshape our planet into their own new home. But a third force has intervened, as an emissary from the distant Iscandar has given humanity the plans for a faster-than-light drive. If the *Yamato* can battle its way through the Gamilas fleet to reach Iscandar, their technology can heal the Earth—but the odds against it are literally astronomical . . .

The classic 1974 anime TV series *Space Battleship Yamato* became a fan phenomenon in North America under the title *Star Blazers*. Now the epic tale of a legendary WWII battleship retrofitted as a spacecraft on a mission to save Earth has been remade by the generation of Japanese creators that grew up inspired by it—with staff including Yutaka Izubuchi (*Cowboy Bebop: The Movie*), Nobuteru Yuki (*Kids on the Slope*), and Hideaki Anno (*Evangelion*)!

DC UPDATES ORDERING PROCESS FOR DC PREVIEWS

Retailers, here's some great news! We've heard your requests—and now, we're making DC PREVIEWS an orderable item on the Diamond Previews Order Form!

DC PREVIEWS #13, soliciting comics on sale in July, will be provided to retailers at no cost in quantities equal to your orders of Diamond Previews #368, as has been the case since DC PREVIEWS began.

This issue will also appear in the Order Form in the Diamond Publications section as an orderable item. DC PREVIEWS will be available to order each month at a net cost of $0.75 per copy!

In addition, you will still be able to download the PDF from the Diamond Vendor Tools page so you can provide the catalogue to your customers digitally.

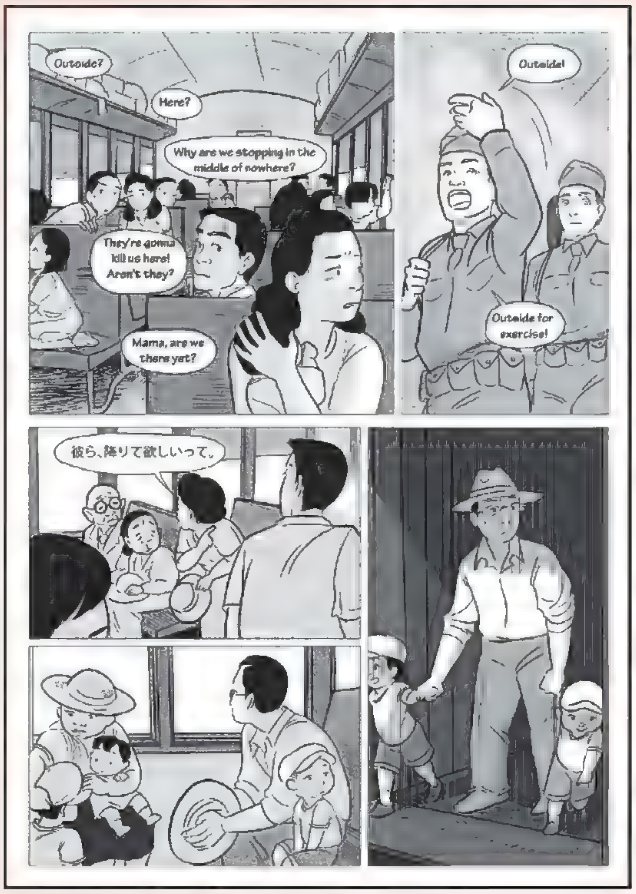
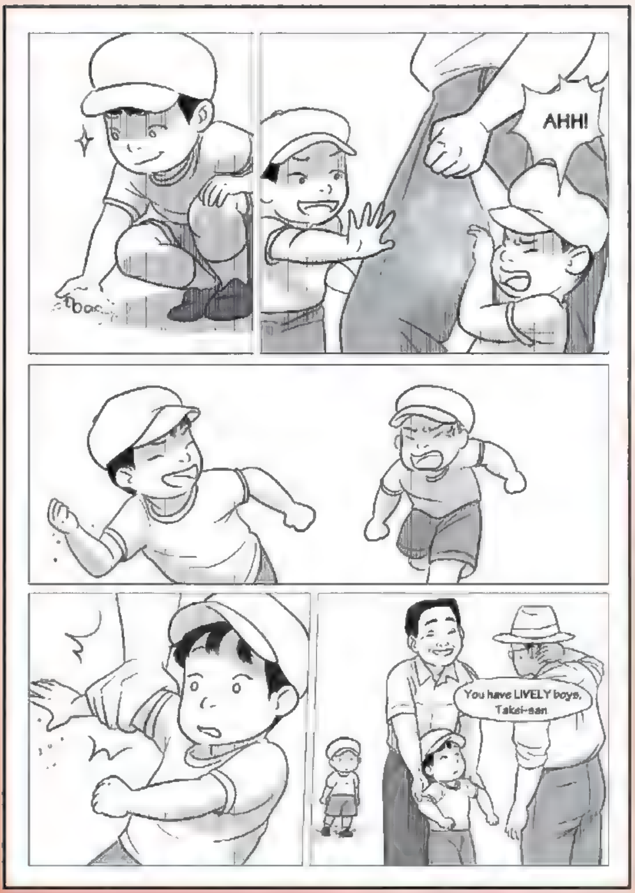
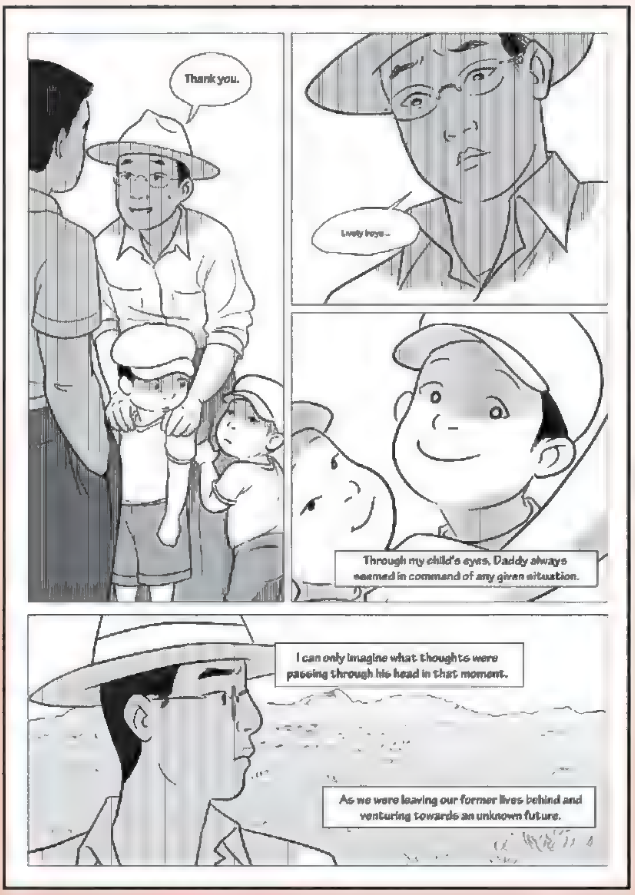
SCREEEEE
SCREEE
OK, everybody out.
Outside, people!



Outside?
Here?
Why are we stopping in the middle of nowhere?
They're gonna kill us here! Aren't they?
Mama, are we there yet?
Outside!
Outside for exercise!
彼ら、降りて欲しいって。



AHH!
You have LIVELY boys, Takei-san



Thank you.
Lively boys...
Through my child's eyes, Daddy always seemed in command of any given situation.
I can only imagine what thoughts were passing through his head in that moment.
As we were leaving our former lives behind and venturing towards an unknown future.

FROM THE HOUSE THAT BROUGHT YOU THE BESTSELLING & AWARD-WINNING *MARCH* TRILOGY!

THEY CALLED US ENEMY

writers **George Takei, Justin Eisinger & Steven Scott**
artist/cover **Harmony Becker**

George Takei has captured hearts and minds worldwide with his captivating stage presence and outspoken commitment to equal rights. But long before he braved new frontiers in *Star Trek,* he woke up as a four-year-old boy to find his own birth country at war with his father's—and their entire family forced from their home into an uncertain future.

In a stunning graphic memoir, Takei revisits his haunting childhood in American concentration camps, as one of over 100,000 Japanese Americans imprisoned by the U.S. government during World War II. Experience the forces that shaped an American icon—and America itself—in this gripping tale of courage, country, loyalty, and love.

The action continues... or does it, as Robo shifts to the more quiet side of life! No more sci-fi catastrophes! This is now a quiet series about the charming antics and sitcom misunderstandings that happen at a boarding school for future action scientists. Also, Robo's hiding a secret AI son in the basement... No way that could cause any trouble.

writer **Beau Smith & Tim Rozon**
artist/cover **Chris Evenhuis**

There's a prison break at Black Rock and it's a family affair! Wynonna Earp, descendant of the legendary gunslinger Wyatt Earp, and her whole family are members of the U.S. Marshals Black Badge Division–a unit dedicated to protecting the world from all things that go bump in the night. Two of their greatest assets in the fight against evil are the Division's relative secrecy and Black Rock Prison, the only facility capable of holding major paranormal threats, and both were just exposed. That means it's time for Bobo Del Rey, Wynonna's old enemy, to step up his plans on a breakout to free his brother. It's family against family as the Earp clan and the Del Reys go head-to-head in a rip-roaring, knock-down, drag out fight to escape the Bad Day at Black Rock.

THE LAST UNICORN

writer **Peter S. Beagle, Peter B. Gillis**
artist/cover **Renae De Liz**

Peter S. Beagle's beloved fantasy classic captured imaginations around the world, and takes on new life in this luscious, fully illustrated graphic novel adaptation. *The Last Unicorn* is a tale for any age about the wonders of magic, the power of love, and the tragedy of loss. The unicorn, alone in her enchanted wood, learns that she may be the last of her kind. Reluctant at first, she sets out on a journey to discover the fate of her fellow unicorns, even if it means facing the terrifying anger of the Red Bull and the malignant evil of the king who wields its power. Along the way she'll encounter a cast of unforgettable characters, including Schmendrick the magician, the bandit Molly Grue, the noble Prince Lír, and the occasional talking butterfly.

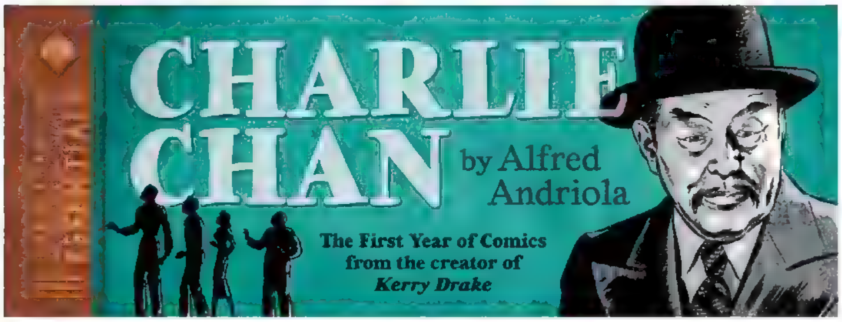
LOAC ESSENTIALS, VOL. 13: CHARLIE CHAN, 1938

THE
LIBRARY OF
AMERICAN
COMICS



writer/artist/cover **Alfred Andriola**

As a famed hero of the mystery novels by Earl Derr Biggers, Inspector Charlie Chan reached even greater heights in a series of popular movies. As actor Sidney Toler was preparing to replace Warner Oland as the wily police detective in 1938, Alfred Andriola was tapped to create a newspaper strip version of the character. The pride of the Honolulu Police Department uses his intellect more than his fists to solve cases of international intrigue, and the syndicate's initial promotion called *Charlie Chan* "a new mystery strip, totally devoid of guns and gangsters" to separate it from *Dick Tracy* and his many hard-boiled imitators. Featuring the first complete year of daily strips, from October 1938 to November 1939, this volume offers readers exciting adventures, snappy dialogue, and arresting art.

FROM HELL: MASTER EDITION #5

writer **Alan Moore**
artist/cover **Eddie Campbell**

"Love is enough." As his pace of murder accelerates—twice in one night—the increasingly unhinged Dr. Gull leaves an ominous message.

Five unsolved murders. Two of the greatest creators in the history of comics. One sprawling conspiracy, one metropolis on the brink of the 20th century, and one bloody-minded Ripper ushering London into the modern age of terror. The award-winning bestseller *FROM HELL*, often ranked among the greatest graphic novels of all time, takes on haunting new dimensions in *FROM HELL: The Master Edition*, enhanced with impressionistic hues by **Eddie Campbell** himself.

This volume contains Chapter 5, as well as all the original annotations.

"THIS INTRIGUING COMBINATION OF HISTORICAL FICTION AND MODERN FOLKTALE EXPLORES THE MAGIC AND COLONIAL HONG KONG."—*LIBRARY JOURNAL*

writer **Anne Opotowsky**
artist/cover **Angie Hoffmeister**

In 1905, a child is kidnapped and brought to Hong Kong, growing into a clever and reckless young man looking for answers. In the 1930s, the British are shaping that island into the free-trade playground for which it will soon become famous… while China's internal strife borders on chaos. The eccentricities of Hong Kong rub off on everyone, the greed is more palpable, the lust and caution herd on both the young and old.

Within the Walled City itself, the population has grown by leaps and bounds, despite attempts to clear them out. Both the British and the Chinese now declare it a lawless ghetto, a legal No Man's Land… so the city evolves into an astonishing world of its own. In this chaotic yet harmonious world, the three boys from Book One—Song, Xi, and Yubo—are finding three very different ways to become men.

Abductions, obsessions, refugees, and star-crossed lovers intertwine throughout this staggeringly ambitious and gorgeously illustrated saga… while the undercurrents of power, manipulation, and loss begin to show terrible cracks in the walls.

THEY CALLED US ENEMY: GEORGE TAKEI INTERVIEW

© 2019 Top Shelf Prods

George Takei is probably best known for his role as Lt. Hikaru Sulu on the classic 1960s science fiction TV series, *Star Trek* and its many feature film sequels. Since then, he has gone on to become an iconic pop culture figure, advocating for LGBTQ rights and cultivating his trademark exclamation of *"Oh, My"* into a meme-worthy catchphrase for the ages.

But what many people don't know, is that during the second World War, Takei and his family (as well as thousands of other Japanese-Americans) were stripped of their civil rights and sent to internment camps following the surprise bombing of Pearl Harbor by the Japanese.

IDW Publishing has teamed up with Takei to tell his story in the upcoming graphic novel, *They Called Us Enemy*. George was kind enough to take the time to speak with us about this important new graphic novel, that tells the true story of the dark time for our country as they dealt with their sudden and unexpected entry into World War II in the worst possible way imaginable… giving in to anger, fear and racism and destroying the lives of thousands of American citizens and their families without due process.

PREVIEWS: *George, what can you tell us about your decision to tell your story in a graphic novel?*

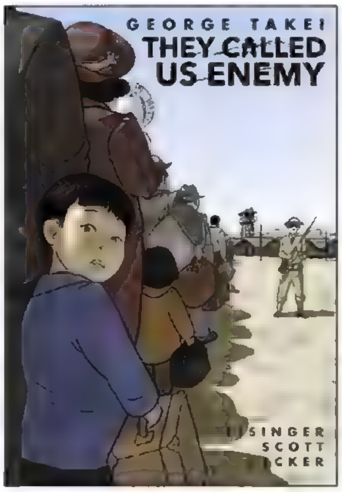
George Takei: It's been my mission in life to raise the awareness of my childhood imprisonment — with no charges, no trial, and no due process — to other Americans, because I'm always shocked to learn how unknown this is. People I consider well-informed, when I tell them about my child imprisonment, they are shocked. And so, it's been my mission in life to raise the awareness of the subject of imprisonment of innocent citizens.

I wrote my autobiography, *To The Stars*, which deals with my childhood, but I think it's important that the story be known by young people because they are going to be the leaders of tomorrow. And the best way to reach them is via the medium that they are attached to, and that's graphic novels. I remember when I was a kid that I loved picture books. Putting the story into a graphic novel will make it accessible to young people who are curious and want to know more about the world they live in. And who knows, maybe their parents and grandparents are *Star Trek* fans, so we sort of combine those audiences and educate them with this story.

PREVIEWS: *What does **They Called Us Enemy** mean to you, and the ability to tell this story right now to American readers?*

George Takei: The title, *They Called Us Enemy*, is certainly a grabber, but it is also factually true. All Japanese-Americans, after the bombing of Pearl Harbor, were categorized as "Enemy Aliens", simply because we're of Japanese ancestry. It is also a phrase that is crazy, because we're Americans. My grandparents were the ones that immigrated to this country. My mother was born in Sacramento, California. My father was a San Franciscan. My siblings and I were born in Los Angeles. We're Americans. But simply because we look like this they called us the enemy. We were at war with Japan, yes. But we are Americans, and it's this history of racism, and hysteria, and simplistic thinking that characterized us as the enemy.

PREVIEWS: *Can you tell us about the fateful morning that began your family's removal from Los Angeles?*



George Takei: My parents got me up very early one morning, together with my brother that was a year younger, and my baby sister, an infant, and they dressed us hurriedly. We were kind of groggy with sleep, and my parents told my brother and me to wait in the living room while they did some last minute packing back in the bedroom. We were standing by the front window, gazing out, and suddenly we saw two soldiers marching up our driveway carrying rifles with shiny bayonets on them. They stomped up the porch and began pounding on the door. It was a horrific, terrifying sound that seemed to tremble and resonate through the house My father answered the door at gun point and we were ordered out of our home. My father gave my brother and me little packages to carry, he had the two heavy suitcases, and we followed him out into the driveway and stood there waiting for our mother to come out. When she finally came out she had our baby sister in one arm and a heavy duffle bag in the other… and tears were streaming down her cheeks. It was a terrifying morning that I will never be able to forget.

PREVIEWS: *Why is it so important now to make sure your story is passed on to a new generation?*

George Takei: What happened in the past is so easily forgotten. There are so many people that have never heard of the internment of Japanese-Americans. And some people who have heard of it only have a sketchy understanding of that. It is a vital part of American history. Because our democracy, as glorious as it is, is also very fragile. It is as fallible as people are. Ours is a people's government, a people's democracy. President Abraham Lincoln said *"A government of the people, by the people and for the people…"* They sound like noble words, but people can make horrible mistakes. Our democracy depends on people who hold dear the ideals of American democracy.

That means we have an important responsibility as the people. *We the people*. And some people… some powerful people, can make *terrible* mistakes.

PREVIEWS: *Who do you want to read this book?*

George Takei: I'm an octogenarian, and to me, everyone under the age of 65 are "youngsters." So, I want youngsters, people who are going to be taking over our country, to be aware of this dark chapter of American history. So that's the group the graphic novel is aimed at.

We live in a society with many different people, and we're all Americans. That's what makes America interesting… we're *not* all the same.

PREVIEWS: *What do you want people to take away with them after reading the book?*

George Takei: I hope the young people that read this book understand the importance of their being active participants in the process of our democracy. Our democracy is great, but it depends on us as a people to make the ideals of this country true. I want people that read this to book realize that prejudice is not what makes this country great, in fact, it makes it horrible. We have to be better than that. And we can.

Mystery, murder, and mayhem descends on Riverdale as four of your favorite comic book women meet for the first time. A string of paranormal, unsolved murders leads the vampire hunter Vampirella and her sword-wielding barbarian partner Red Sonja to the small, sleepy town where things always seem to happen... There they discover Betty and Veronica, investigative reporters for the high school newspaper, also hot on the trail of the same killer.

GEM of the MONTH

WRITER AMY CHU TALKS
RED SONJA AND VAMPIRELLA MEET BETTY AND VERONICA #1

Did you have a history with Archie Comics growing up or how did you discover the timeless tales of Riverdale?

Yes, as a matter of fact. Of course I read all the Sunday comics as a kid, but Archie was one of the few comics my Mom would buy for us now and then. We didn't have a lot of money growing up so my mom wasn't about to blow it all on comics (like I do now...) Also, I suddenly remember, I had a Josie and the Pussycats lunchbox for the longest time too! I loved that lunchbox.

This is following your fan favorite run on Red Sonja, which already presented her as a fish out of water in the World's Away arc. How will Sonja react similarly or differently in this crazy crossover?

Well this is a team-up, so the fun part is in exploring the different dynamics between all the characters. It'll be similar in that Sonja's still badass. Compared to New York City, Riverdale is a very different place for a barbarian warrior to be wandering around. But don't worry, it's not like I'm turning her into an accountant or anything. And if you think about it, her pairing with Vampirella is completely symbiotic and natural. I mean, if you drink blood, hanging out with a sword wielding mercenary is really not a bad idea at all.

These four characters are all coming into this crossover from different genres and tones. What can fans expect in the way you'll be juggling these factors?

This is a pretty monumental task, and honestly at first I was going to decline because I didn't think I could pull it off. But the more I researched Vampirella, the character I was least familiar with, the more I was thinking this could be really interesting murder mystery. A lot of Vampirella's early stories are quite dark and witty, and Riverdale is the perfect place for this type of stuff. So in this mini you're going to get a little of everything - action, mystery, horror, and a little bit of fun.

Vampirella is celebrating her 50th anniversary this year, Red Sonja is approaching that milestone, while Betty and Veronica are almost as old as the American comic book. What is it about these four women that has sustained them as beloved characters for generations?

Wow, they all look pretty good for their age, don't they? I'm a little surprised Vampirella is older than Red Sonja, actually. These are characters that have evolved and adapted more or less over the years to roll with the times. It's a good question to think about though, why characters like Miss Fury, or say, Brenda Starr, aren't as popular now as maybe they should be.

Last but not least, Bettie or Veronica?

Following an unscheduled crash-landing in Graceland, Ash must quickly dust himself off and do what he does best—defending Necronomicons from Evil! As if plummeting into the King's mansion wasn't bad enough, Bubba enlists an undead Elvis impersonator to take on everyone's favorite deadite-slayer while the fate of the real Elvis remains unknown. Don't miss the deadly conclusion to this hunk of burning crossover grooviness that's guaranteed to raise temperatures and set your soul afire!

writer: Garth Ennis
artist: Darick Robertson
cover: Darick Robertson

An all-new omnibus printing that includes The Boys Volume 3: Good for the Soul & The Boys Volume 4: We Gotta Go Now.

In "Good for the Soul..." Everyone has something to get off their chest: Frenchie and the Female are up to something nasty with the Mafia, Mother's Milk goes to see his mom, Annie January wants a word with God himself, and Butcher enjoys yet another ghastly tryst with CIA Director Rayner. The Legend, meanwhile, offers to tell Hughie everything he wants to know about The Boys - all Hughie has to do is take a walk with the dead.

In "We Gotta Go Now..." All is not well with mysterious millionaire John Godolkin's band of misfits. Silver Kincaid, one of the original G-Men, has just committed suicide in the most public and grotesque way imaginable. That's not good news for Vought-American's number one franchise, with G-Force, G-Coast, G-Style, G-Wiz, the G-Brits and the G-Nomads all depending on their slice of the G-pie. There's far too much at stake for anyone to go poking around the G-Mansion now. Who knows what dirty secrets might be waiting down there in the dark?

writers: Charlaine Harris, Christopher Golden
artist: Geraldo Borges
cover: Geraldo Borges

They call her the Ghost of Dunhill Cemetery, but most people think "the Cemetery Girl" is just a story. In some ways, that's true. Her chosen name is Calexa Rose Dunhill, but she doesn't know her real name. When she first arrived here, all she knew was that someone had tried to murder her, dumped her body, and left her for dead. Calexa has been hiding out, afraid to seek out her true identity in fear that her would-be murderer would find her and finish the job. And someone is searching for her…a man named Salazar, who holds the key that will unlock the secrets of Calexa's past.

Calexa has new secrets as well—including the fact that she was murdered… she did die, if only for a moment. And in that moment, something changed inside her. Now, if someone dies near her, their spirit is drawn to Calexa, drawn into her. It has happened twice before, but now—as her worst fears come true and there are killers on her trail—the third ghost to take up residence in Calexa's soul will change everything and bring the Cemetery Girl trilogy to its shocking conclusion!

Dawn, the goddess of rebirth, has been one of the most enduring characters in independent comics since her creation by artist, Joseph Michael Linsner, in the late 1980s. With sculpting by RVCKVS International, and continued guidance from her creator, Dynamite has spared no detail in bringing this iconic comic book idol to life.

> "High school can be hell and no one knows that better than Buffy…"
> —*NEW YORK TIMES*

Go back to the beginning as the critically acclaimed pop culture phenomenon ***Buffy The Vampire Slayer*** is reimagined under the guidance of series creator **Joss Whedon**.

This is the Buffy Summers you know, who wants what every average teenager wants: friends at her new school, decent grades, and to escape her imposed destiny as the next in a long line of vampire slayers tasked with defeating the forces of evil.

Jordie Bellaire *(Redlands)* and Russ Manning Award-Winner **Dan Mora** *(Saban's Go Go Power Rangers)* bring Buffy into a new era with new challenges, new friends...and a few enemies you might already recognize. But the more things change, the more they stay the same, as the threat lurking beneath Sunnydale High confirms what every teenager has always known: high school truly is hell. Collects issues #1-4.

THE FIRST GRAPHIC NOVEL SET IN THE ***NEW YORK TIMES*** **BEST-SELLING TRILOGY** THAT INSPIRED THE **HIT TV-SHOW**!

Alice Quinn is manifestly brilliant, and she's always known that magic is real. During her years at Brakebills College for Magical Pedagogy, she rises to the top of her class, falls in love with Quentin Coldwater, and witnesses a horrifically magical creature invade their dimension. It's not soon after graduation when Alice, Quentin, and their friends set their sights on the idyllic setting of Fillory: a place thought to only live in the pages of their favorite children's books.

Acclaimed novelist **Lev Grossman** teams with *New York Times* bestselling writer **Lilah Sturges** *(Lumberjanes: The Infernal Compass)*, and breakout artist **Pius Bak** for a new look at the smash hit series ***The Magicians***.

Giant Days meets *Check, Please*, from the creator of *Heavy Vinyl*!

Welcome to the Georgia O'Keeffe College of Arts and Subtle Dramatics, an historically all-female school whose population is decidedly more drama geek than jock. Liv, aspiring actor and basketball enthusiast, doesn't understand why she can't be both, but she seems alone in that belief...until Charlie.

Charlie is a recent transfer, a star basketball player, and the answer to all of Liv's problems. She'll stop at nothing to get Charlie to join the ragtag group of misfits that make up their fledgling basketball team.

Carly Usdin *(Heavy Vinyl)* and **Noah Hayes** *(Wet Hot American Summer)* present a touching tale about finding what you're looking for... on and off the court. Collects issues #1-4 and is an exclusive comic shop release.

PATRICK McHALE
BAGS™
(OR A STORY THEREOF)
ADAPTATION BY GAVIN FULLERTON

This is the tale of John Motts. He is a man who had a dog, but now that dog is gone. John searches his house, his street, and his town, but the dog is nowhere to be found. John soon realizes that he must travel further, past the road and into the trees if he's ever to find out the truth of what happened to his dog.

Bags (or a story thereof) is a journey of love and suspense as John Motts searches through the world he knows, and a world he doesn't, woven together beautifully by **Patrick McHale**, creator of the Emmy Award-winning Cartoon Network series *Over The Garden Wall*™, and **Gavin Fullerton** *(Disney's Space Chickens in Space)*.

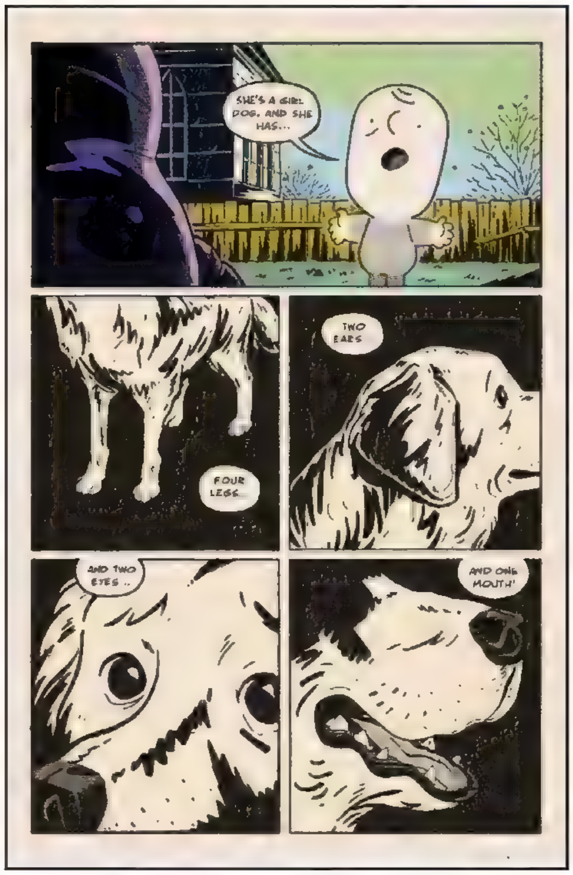
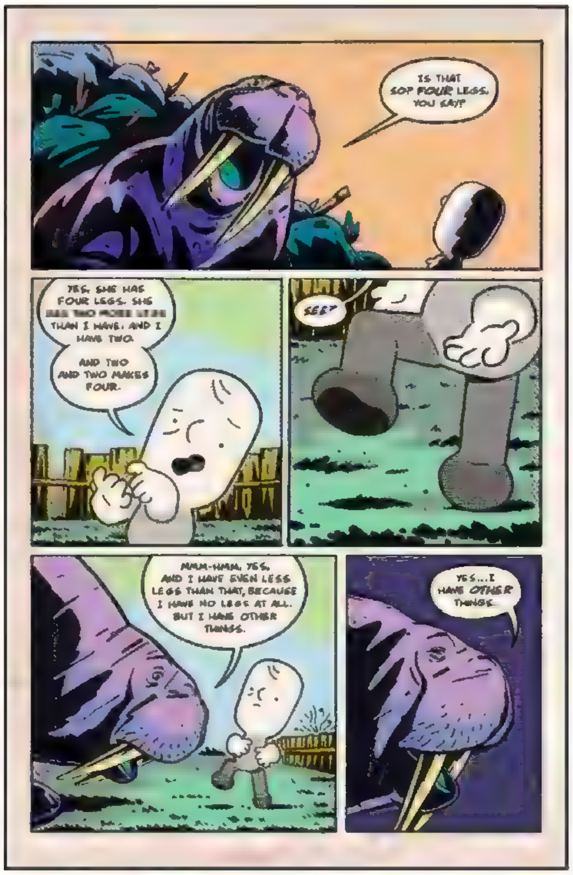
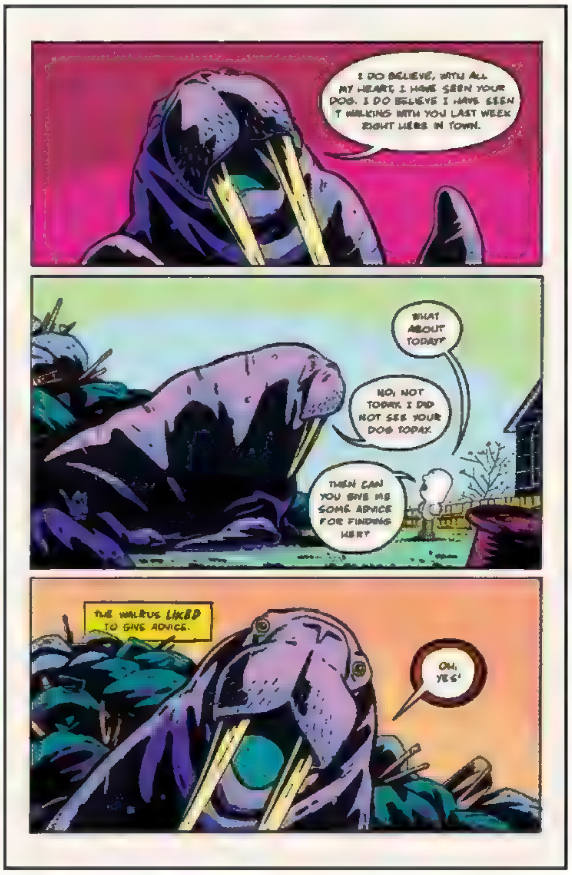
WHAT DID YOU ASK ME?
I ASKED YOU IF YOU HAD SEEN MY DOG.
THE WALRUS THOUGHT FOR A MOMENT, STRUMMING ITS WHISKERS.
NOW, WHAT DOES YOUR DOG LOOK LIKE, AGAIN?



SHE'S A GIRL DOG. AND SHE HAS...
FOUR LEGS.
TWO EARS.
AND TWO EYES...
AND ONE MOUTH!



IS THAT SO? FOUR LEGS, YOU SAY?
YES, SHE HAS FOUR LEGS. SHE HAS TWO MORE LEGS THAN I HAVE. AND I HAVE TWO.
AND TWO AND TWO MAKES FOUR.
SEE?
MMM-HMM, YES. AND I HAVE EVEN LESS LEGS THAN THAT, BECAUSE I HAVE NO LEGS AT ALL. BUT I HAVE OTHER THINGS.
YES...I HAVE OTHER THINGS.



I DO BELIEVE, WITH ALL MY HEART, I HAVE SEEN YOUR DOG. I DO BELIEVE I HAVE SEEN IT WALKING WITH YOU LAST WEEK RIGHT HERE IN TOWN.
WHAT ABOUT TODAY?
NO, NOT TODAY. I DID NOT SEE YOUR DOG TODAY.
THEN CAN YOU GIVE ME SOME ADVICE FOR FINDING HER?
THE WALRUS LIKED TO GIVE ADVICE.
OH, YES!

The wit, humanity, and many-sided talent of Norman Rockwell (1894–1978) are on full display in his classic autobiography. Rockwell's New York City boyhood, his apprentice days at the Art Students League, his first fateful visit to the Saturday Evening Post, his adventures abroad, his move to rural Vermont, all are recounted with a mix of sharp observation and self-deprecating humor. This Definitive Edition restores the original 1960 text of *My Adventures as an Illustrator*, as well as the playful vignettes that Rockwell drew to head each chapter.It is also illustrated with more than 150 of Rockwell's paintings and drawings, many of which highlight lesser-known aspects of his work. Chef Nate Willner's dinosaur hunts in an alternate dimension reignited his passion for cooking and turned his life around. But traveling through time and space for prehistoric meat has consequences he never imagined. He's damaged another universe, fractured the trust of the people he cares for most, and unleashed a flesh-hungry monster on his hometown. Can Nate and his friends put aside their differences long enough to save Blackfossil? Featuring a "Bone to Pick" variant cover by Valentin Ramon (*Z, D4VE*), limited to 250 copies! (STL117085)

"Chapter 4: Home On The Range." General Garret makes his final NORCO recruitment pitch and David is left to choose between two beloved father figures. Nelson Little kicks his way into the Bolivian jungle, bent on pulling his men from the proverbial fire. Cordrey makes one last desperate, but wickedly conniving play to save his own broke, wholly reeling ass. Also, a 250lb beast-of-a-man literally gets ripped in half. I'll be 100% honest... it's pretty freakin' cool. And where else are you going to get a sweet *Karate Kid 2* variant cover? (STL117039)

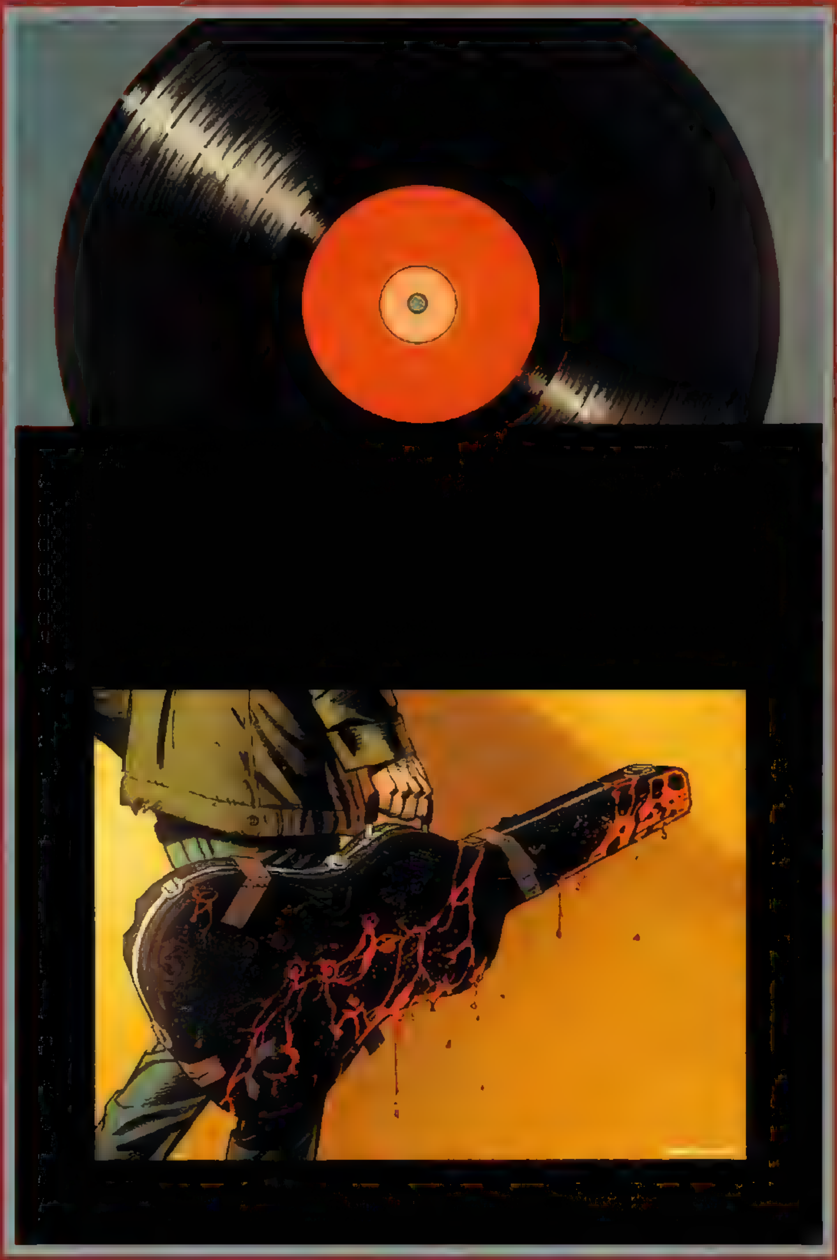
AFTERSHOCK SPOTLIGHT



In 1970s Los Angeles, Jonny is one of the thousands of musicians trying to make it big while working a crummy bar job, and getting drunk with his whiskey soaked P.I. friend, Jackie. When Jonny gets tangled up with a local mob hitman, he not only finds a new and violent career, but maybe the inspiration for his music as well.

From Ollie Masters (*The Kitchen, Snow Blind*) and Eoin Marron (HER INFERNAL DESCENT, *Army of Darkness, James Bond*) comes the next rock'n'roll crime sensation — with a beat that'll kill you dead.

Mary discovers not only that their mysterious host is a surgeon intent on reanimating the dead, but also that she's a woman. Banished from a career in medicine because of her sex, Dr. Victoria Frankenstein has decided to create a manservant devoted to her success in a misogynistic world. The only thing she needs is a partner. Mary quickly sees the potential to carry on her late mother's feminist work, but agreeing would mean betraying her closest companions, and becoming an accomplice to murder...

Brought to life by Adam Glass (ROUGH RIDERS, THE LOLLIPOP KIDS, *Teen Titans*) and Olivia Cuartero-Briggs (TV's The Arrangement) with art by Hayden Sherman (COLD WAR, *The Few*, *Wasted Space*), MARY SHELLEY MONSTER HUNTER is historical fiction at its most (After)shocking!

When the forces of good and evil are hunting you down, the only logical thing to do is disguise yourself as a dog and go on the run! Eddie is a low-rent hustler who got magically turned into a pug during a con gone wrong. Tala is Eddie's long-lost, part-demon daughter. When Tala finds herself the target of powerful inter-dimensional forces, she goes to Eddie for help-setting off a chain reaction of chaos and destruction that could threaten the very fabric of existence. Can Eddie and Tala put aside their differences long enough to survive the magical mayhem and madness that they started, or will they kill each other first? (STL098661)

MY LITTLE PONY COLLECTIBLES SC

(W) Ilona Iske, Ossie

My Little Pony came into our worlds in the 1980s. More than 35 years later, the brand is still going strong, with children and adult collectors. Over four generations of ponies have spawned, each with their own design, not to mention the TV series and characters that have followed. A massive amount of *Pony* merchandise has been produced over the years. This book offers an overview of the interesting collectibles and valuable ponies from all generations, as well as information about the various lines. Lavishly illustrated throughout, this is the perfect book for all *My Little Pony* fans. (STL116718) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

JOURNAL

Greg Heffley has been chronicling his middle school years in thirteen *Diary of a Wimpy Kid* journals... and counting. Now it's time for readers to hear from Greg's trusty best friend, Rowley Jefferson, in a journal of his own. In *Diary of an Awesome, Friendly Kid*, Rowley agrees to take on the role of biographer, recording his pal's life story because one day "Greg is going to be rich and famous and he says everyone will want to know his whole life story so they can make movies about him and stuff." But it turns out Rowley is a poor choice for the job, and his "biography" of Greg says more about himself than it does about his best friend. *Diary of an Awesome, Friendly Kid* offers readers a new way to look at the *Wimpy* world, one fans won't want to miss! The world below is no longer a secret and everything has led to this...

Aspen Matthews must restore the balance between both Humans and The Blue as once again Fathom's preeminent villain, Killian, has returned to reclaim what he believes belongs to himself and his people! The stakes have never been higher as this volume returns Aspen's best-selling franchise for over 20 years to its roots, as Aspen must risk the fate of both worlds in order to stop Fathom's most dangerous foe!

Aspen's Vince Hernandez (Michael Turner's Fathom: Kiani, Charismagic, Dellec) marks his debut on Fathom's principal series alongside artist Mauricio Campetella (Jirni) and colorist Peter Steigerwald (Fathom, Superman/Batman), in a storyline that will define the Fathom universe for years to come!

Aspen's flagship hit series is back in a new lower-priced introductory trade paperback for new and returning readers alike!

There is the world we know, and the world below...
Aspen Matthews is an ex-Olympic, swimmer, marine biologists, and a girl with a past shrouded in mystery. At age eleven, she was found on a cruise ship, with no memory of who she was, or how she got there. Now, as the crew of the top secret US military Deep Marine Discovery platform encounters a strange, alien craft, something is stirring at the back of Aspen's mind, flashes of her earlier life... A life beneath the waves!

Showcasing the original breathtaking storyline by creator and superstar artist, the late Michael Turner, this streamlined and lower-priced new printing of the best-selling Fathom Volume One is an absolute must have for all Aspen and Turner fans!

ESCAPSE FROM BITCH MOUNTAIN TP

(W) Hannah Chapman (A) Various

Comic Book Slumber Party is back! And this time they're taking on the dank dungeons of Bitch Mountain. Far famed for its cruel Warlock overlord, Bitch Mountain is easily the deadliest destination on any adventurers map, but with it's rumored riches and guaranteed bragging rights it's an opportunity Greasy can't refuse. Can Greasy find her way out of the depths with her treasure (and her dignity) intact? (STL115649) (C: 0-1-0)

TERRIBLE MEANS GN

(W/A/CA) B. Mure

In the city of Ismyre, something is stirring. An aristocratic businessman reveals the latest must have: a pillar of crystals that when placed within a home allows for the creation of beautiful illusions and more powerful spells to be performed. At the same time, Henriett, a disgraced biological professor now studying botany in a town far away, feels the disquiet in the air as specimens she has studied for years begin inexplicably dying out. On traveling to Ismyre, she encounters a young magician called Niklas who is there for a very different reason. Alongside a crew of ex-academics and inhabitants of smaller surrounding villages, Henriett and Niklas work together to uncover the strange imbalance being created in the world. (STL115650) (C: 0-1-0)

THE AVENGERS: STEED AND TARA KING: THE COMIC STRIP ADAPTATIONS VOLUME 3 AUDIO CD

(W) John Dorney & Various
(CA) Anthony Lamb

Starring Julian Wadham as Steed and Emily Woodward as Tara King, based on stories from the *TV Comic* strips! After reports suggest a series of robberies in the New Forest were committed by cowboys, Mother sends the Avengers into action. The trail leads to the Western style ranch known as The Lazy J. Steed, Tara and Mother visit an air show to see a demonstration of a new aircraft. But the plane is stolen from under their noses... and seemingly... by a storm! When a visiting dignitary is kidnapped on British soil, Steed and King have to leap into action. A strange gift leads to Steed and Tara King spending a night in the theatre. But who brought them there? And why? Adapting "It's a Wild, Wild, Wild, Wild West," "Under the Weather," "Spycraft," and "...Now You Don't." (STL116779) (C: 0-1-0)

DOCTOR WHO: MISSY SERIES 1 AUDIO CD

(W) Roy Gill & Various

Starring Michelle Gomez as Missy. Missy.. .alone, unleashed, and unfettered. What does she get up to when the Doctor isn't around? Well, Missy has a plan. And to carry it out, she's going to have to break some rules. And people. And planets. Look out universe, Missy is on a mission. And nobody is going to stop her! In a spot of bother in Victorian London, Missy is forced to take on governess duties. She's going to have to teach the children some rather harsh lessons about getting what you want, and there will be tears before bedtime. In Tudor England, King Henry VIII is on the throne, and aliens are stomping through the countryside. And once the Monk knows who else is on the scene, he'll be glad just to stay alive. Detective Joe Lynwood hunts the most impossible killer of his career. And Joe has one long night to solve the case. Missy's scheme nears completion. All she must do is subjugate one little planet and bend the inhabitants to her will. Not too much to ask... (STL116814) (C: 0-1-0)

TORCHWOOD: NIGHT OF THE FENDAHL AUDIO CD

(W) Tim Foley (CA) Lee Binding

Starring Eve Myles as Gwen Cooper. Marco makes films. You wouldn't like them. The lighting's shoddy, the sets are cheap and the sound's appalling. But there's an audience for them. Because they're films in which bad things happen to women. Marco's latest venture is based on real events. Events which took place in Fetch Priory many years ago. It's an anthology piece, and Marco needs one final victim. But the last victim is not who anyone is expecting. Death has returned to Fetch Priory. And Death is no one's victim. NOBODY IS IN CONTROL #4

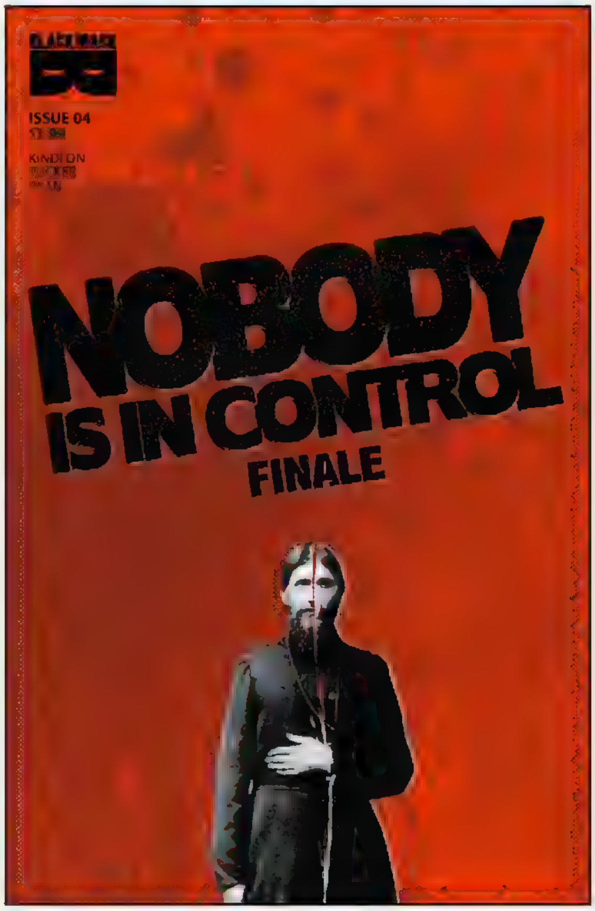
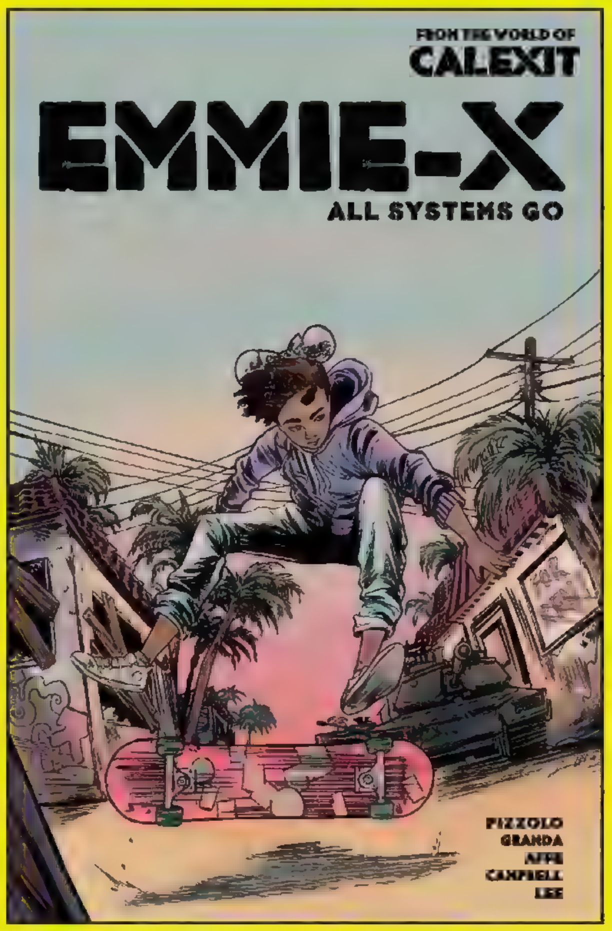
(w) PATRICK KINDLON | (a) PAUL TUCKER | $3.99 | 32 pgs | FC | Mature

The *$!%'s in the fan, and it just spins faster. The survival-turned-conspiracy-turned-survival story takes a turn for the tragic in this troubling final issue!



"Black Mask is drop-kicking fascism with [EMMIE-X], about a young woman fighting DHS internment camps through pirate radio." -ROLLING STONE

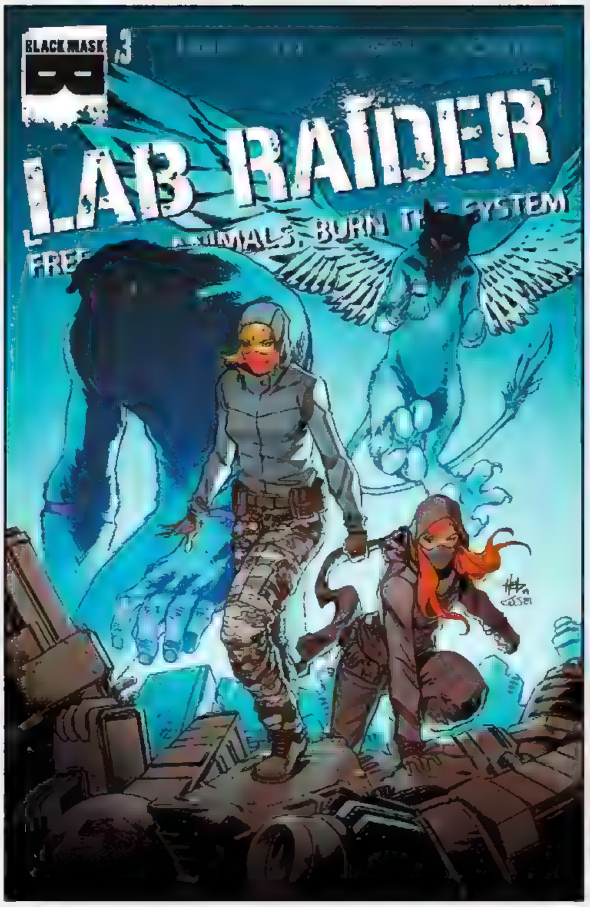


CALEXIT: Emmie-X, Vol 1 TP

(w) MATTEO PIZZOLO | (a) CARLOS GRANDA | (c) LAUREN AFFE
(l) JIM CAMPBELL | (cover) SOO LEE | $14.99 | 128 pgs | FC | Teen+

Teenage skaterat Emmie runs a punk record shop in an abandoned strip mall during the CALEXIT military occupation. When Homeland Security turns the strip mall into a detention center, Emmie realizes she must fight.

"It takes place in the same universe as the other CALEXIT comics (there's even a specific reference to the young rebel Zora) but features all-new characters.
When Emmie's makeshift record store gets seized by government agents who need more facilities to hold detained immigrants (not too different from real-life immigrants being detained at former Walmart stores), she pivots to pirate radio, broadcasting newly outlawed music instead of government-mandated right-wing talk radio. In doing so, she befriends a Homeland Security trooper with good taste in music — but wonders if she can convince him to actually rebel against his fascist government masters."
-ENTERTAINMENT WEEKLY



LAB RAIDER #3

(w) MATT MINER | (a) CREEES LEE | (c) JOSH JENSEN | $3.99 | 32 pgs | FC | M

Our vigilante heroines team up with two of the mutant-hybrid predators who've been hunting them, and now it's all-out war on the black site lab.

Sneak peek at CALEXIT: Emmie-X, Vol 1.

In the tradition of *Conan the Barbarian* comes a sword and sorcery adventure for the ages. Three young men are intent on finding and killing Khor, a despotic warrior/wizard leader who destroys all who have attempted to oppose him. However in their quest to do so they must face challenges and seek help within a monastery where they are given guidance as to where they can obtain the materials needed to possibly defeat Khor. However their dangerous adventure is not so smooth and clear cut as the young men must first defeat Khor's trusted lieutenant, Khor's military forces, before coming face to face with Khor himself. 100 GREATEST MOMENTS
ROBERT GREENBERGER

DC COMICS SUPER-VILLAINS: 100 GREATEST MOMENTS HC

(W) Robert Greenberger
Every hero needs a villain. In fighting them, the extreme superiority of our heroes is revealed. The methods and morals of villains are usually the key difference between them and the heroes. Many bad guys cause mayhem for mayhem's sake, with sometimes no apparent reason other than simply being bad. What makes a villain great, however, is the complexity of their character. The truly terrible villains of DC Comics have depths of cruelty that grow with them, and specific motivations driving them. They challenge the heroes and their ideals, seeing the caped and cowled figures as obstacles to be overcome. Compiled by fans, these 100 moments are the greatest (worst?) villainous acts in DC Comic book history. It's a great starting point for new readers or a nostalgic look for hardcore fans through the villains old and new. (STL116819) (C: 0-1-0)

(W) Daria Bogdanska, Hanna Stromberg
(A) Daria Bogdanska

Daria Bogdanska moves to Malmö to attend art school, sets out to find a job, and discovers that in order to work in the country legally, she needs a Swedish personal identity number. But there is a catch: she can't get one without securing a job first. To make ends meet, Daria starts working under the table at an Indian restaurant. There, she discovers another level of inequity: lacking regulation, the underground job market is forcing immigrants to settle for a substandard quality of life. She sparks a legal battle that ultimately leads to fairer work practices for the people in her community. *Wage Slaves* is the autobiographical story of Daria Bogdanska's determined struggle to build a life in Malmö, and how she found a way to succeed, against all odds. KATUSHA: GIRL SOLDIER OF THE GREAT PATRIOTIC WAR GN

(W/A/CA) Wayne Vansant
On Sunday, June 22, 1941, the morning after Katusha's graduation, the Germans invade the Soviet Union. As enemy forces occupy Kiev, Katusha and her family learn the Nazis are not there to liberate them from harsh communist rule, but to conquer. They discover there is a special danger for the Jews, and in saving her friend Zhenya Gersteinfeld, Katusha finds her whole family in danger. During the next four years, Katusha experiences the war on the Eastern Front with all its ferocity and hardship: first as a partisan, then as a Red Army tank driver and commander. Seen through the eyes of a Ukrainian teenage girl, *Katusha* is both a coming-of-age story and a carefully researched account of one of the most turbulent and important periods of the twentieth century. STALINGRAD: LETTERS FROM THE VOLGA GN

(W) Daniel Ortega
(A/CA) Antonio Gil
Stalingrad. From August 1942 to February 1943 this model industrial city, bathed by the waters of the Volga, was home to the bloodiest battle of World War II. *Stalingrad: Letters from the Volga* offers a fast-paced depiction of this titanic struggle: ex-plicit, crude, and without concessions–just as the war and the memory of all those involved demands. Military and civilians alike paid with their lives for the personal fight between Stalin and Hitler, which materialized in long months of primitive conflict among the smoking ruins of Stalingrad and its surroundings. Take a chronological tour of the massacre, relive the fights, and feel the drama of trying to survive in a relentless hell of ice and snow. (STL115283) (C: 0-1-0)

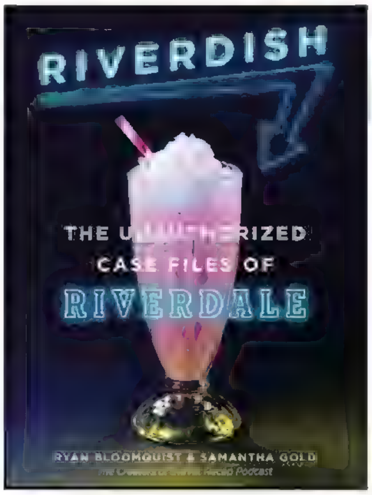
RIVERDISH: THE UNAUTHORIZED CASE FILES OF RIVERDALE SC

(W) Ryan Bloomquist, Samantha Gold



Based on the beloved characters from the Archie Comics, *Riverdale* is a dark, addictive, campy teen thriller that devilishly mixes adolescent angst with corruption, politics, serial killers, gang wars, and twisted secrets. The emotional exploits of Archie, Veronica, Jughead, Betty, and their friends and foes have riveted fans and catapulted the teen drama series into an iconic cultural phenomenon. Two such podcasters include Ryan and Sam, hosts of the adoring, enthusiastic podcast Riverdish. Recently they received an unmarked package at their door containing an incomplete manuscript of Jughead Jones' novel. The hosts have to believe that Jughead entrusted them with this material. Now, for the first time ever, fans can read the pages of Jughead's next great American novel in this unofficial inside guide to everything *Riverdale*. (STL115545) (C: 0-1-0)

007 MAGAZINE PRESENTS: EXHIBITORS PRESSBOOKS VOLUME 3 SC

All the James Bond films from *Dr. No* (1962) to *Licence To Kill* (1989) had Exhibitors' Campaign Books produced to accompany the release of each film. By the time Agent 007 returned to UK cinema screens after a six-year hiatus in 1995 with *GoldenEye*, the Exhibitors' Campaign Book had been discontinued, replaced by Spirex-bound marketing manuals and electronic press kits on VHS videocassette, and eventually CD-ROM, and DVD, but even these were discontinued after *The World is Not Enough* (1999), and surprisingly, nothing was produced for the 40th anniversary film in the series, *Die Another Day*. However, a landscape format Marketing Guide was produced for *Casino Royale* (2006). (STL117028) (C: 0-1-2)

THE FOLLIES OF RICHARD WADSWORTH GN

(W/A/CA) Nick Maandag

This debut collection showcases Nick Maandag's signature blend of deadpan satire and exceedingly unexpected plot twists. In "Night School," a class goes awry when a fire alarm brings the Chief to school and he decides to stick around to teach the students a thing or two about leadership-and discipline. "The Disciple," is a yarn about a co-ed Buddhist monastery, where Brother Bananas, the resident gorilla, isn't the only one having difficulty keeping his lust tucked safely under his robe. In Maandag's hands-hands that love to toy with morally ambiguous characters and flirt with absurdity-troubled men make poor decisions, unlikable characters gain our sympathies through their very haplessness, and laughs ensue, riotously. THE HANDBOOK TO LAZY PARENTING GN

(W/A/CA) Guy Delisle

The Handbook to Lazy Parenting is bestselling cartoonist Guy Delisle's final tribute to the frequently hilarious and absurd situations that any parent will find themselves in when raising young children-all told with Delisle's trademark sarcastic wit. But even as Delisle's children grow older, wiser, and less interested in their father's antics, Delisle has no shortage of bad parenting stories, only now, sometimes, the joke is on him! Delisle tells relatable stories of parenthood, the mistakes we have trouble admitting to, and the impulse that we all sometimes have to give a comically serious answer to a child's comically serious question. EVEN MORE BAD PARENTING ADVICE GN

(W/A/CA) Guy Delisle

Even More Bad Parenting Advice marks Guy Delisle's second foray into the world of offering bad advice to parents, and a second opportunity to express the minor frustrations and many joys of parenting. Delisle's skillful hand at illustration and ironic way with words, which helped to popularize his travelogues about daily life in faraway places, are just as much the stars here as he or his children are. Delisle celebrates the reality that parenting isn't all first steps and gold-starred report cards; it's stinky diapers and never-ending drives to the grocery store, too. (STK646551)

BAD FRIENDS GN

(W/A/CA) Ancco

Jinju is bad. She smokes, drinks, runs away from home, and has no qualms making her parents worry. Her mother and sister beg her to be a better student, sister, daughter; her beleaguered father expresses his concerns with his fists. *Bad Friends* is set in the 1990s in a South Korea torn between tradition and Western modernity and haunted by an air of generalized gloom. What unfolds is a story of female friendship, a Ferrante-esque connection formed through youthful excess, malaise, and struggle that stays with the young women into adulthood. (STL089055)

ONE HUNDRED DEMONS HC

(W/A/CA) Lynda Barry

Inspired by a 16th-century Zen monk's painting of a hundred demons chasing each other across a long scroll, acclaimed cartoonist Lynda Barry confronts various demons from her life in seventeen full-color vignettes. In Barry's hand, demons are the life moments that haunt you, form you and stay with you: your worst boyfriend; kickball games on a warm summer night; watching your baby brother dance; the smell of various houses in the neighborhood you grew up in; or the day you realize your childhood is long behind you and you are officially a teenager. As readers get to know Barry's demons, they realize that the actual truth no longer matters because the universality of Barry's comics, true or untrue, reigns supreme. (STL042458)

Hark! A Vagrant is an uproarious romp through history and literature seen through the sharp, contemporary lens of New Yorker cartoonist and comics-sensation Kate Beaton. No era nor tome is left unscathed as Beaton rightly skewers the Western World's revolutionaries, leaders, sycophants, and suffragists while equally honing her wit on the hapless heroes, heroines, and villains of the best-loved fiction. In just four years, Beaton has taken the comics world by storm with her non sequiturs, cheeky comebacks, and irreverent punch lines. (STK450234)

PRESENT HC

(W/A/CA) Leslie Stein

Leslie Stein takes us on a sinuous urban stroll divorced from destination, glimpsing New York City through her open eyes. While she is closing up a bar late at night, she is also an adolescent at a rave in the mountains, an adult grappling with her grandfather's fading memory or at one of her first waitressing jobs. Here, an autobiography is built through memories and moments tied together by loose lines, evoking a beautiful dreamlike yet endlessly relatable glimpse into the world of a thirty-something woman carving out a life for herself, one step at a time. WOMAN WORLD GN

(W/A/CA) Aminder Dhaliwal

With her startling humor, it's no surprise that Aminder Dhaliwal's web comic *Woman World* has a devoted audience of over 120,000 readers. When a birth defect wipes out the planet's entire population of men, Woman World rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. *Woman World* is an uproarious and insightful graphic novel from a talented and funny new voice. LOVE THAT BUNCH HC

(W/A/CA) Aline Kominsky Crumb

Aline Kominsky-Crumb immediately made her mark in the Bay Area's underground comix scene with unabashedly raw, dirty, unfiltered comics chronicling the thoughts and desires of a woman coming of age in the 60's. Kominsky-Crumb traces her steps from a Beatles loving fangirl, East Village groupie, an adult grappling with her childhood, an 80s housewife and mother, to a new 30-page story Dream House that looks back on her childhood, 40 years later. Collecting comics from the 1970s through today, Love That Bunch is shockingly prescient while still being an authentic story of its era. (STL079459)

THE STRUCTURE IS ROTTEN, COMRADE

By Viken Berberian and Yann Kebbi

$34.99 / HC / 328 pgs / FC / 6.625" × 8.5"

Frunz and his father, known as Mr. Cement, team up to transform the Armenian city of Yerevan into a postmodern mecca of Trumpian high-rises. However, outraged citizens rise up in revolution against them and Yerevan's corrupt regime. Written by Viken Berberian and drawn with delirious colors by Yann Kebbi, *The Structure is Rotten, Comrade* is an innovative and politically resonant work, by turns prescient, punchy, cautionary, and fearless.

ANGOLA JANGA: KINGDOM OF RUNAWAY SLAVES

By Marcelo D'Salete

$39.99 / HC / 428 pgs / BW / 7.25" ×10.25"

Marcelo D'Salete delves into the creation of Angola Janga, an independent Brazilian kingdom of runaway slaves founded in the late 16th century. In stark black ink, D'Salete brings to life the history of slaves on the run, the brutal raids by Portuguese colonists and the power struggles within this kingdom. Angola Janga sheds light on a moment of resistance against oppression, and is another gripping historical portrait from an internationally renowned comics talent.

BEZIMENA
NINA BUNJEVAC

BEZIMENA

By Nina Bunjevac

$29.99 / HC / 224 pgs / BW / 8.25" × 10.5"

This retelling of the myth of Artemis and Siproites follows Benny, a sexually deviant man who, after coming across a former classmate, concocts an elaborate rape fantasy. Nina Bunjevac crafts a gripping, noirish, Nabokovian tale, that turns the male gaze inside-out. *Bezimena* is both a radical examination of the misconceptions surrounding rape culture and an artistic and psychological tour de force.

ISLAND BOOK

ISLAND BOOK GN

(W/A) Evan Dahm

Sola is cursed. At least, that's what everyone tells her. It all started the day the Monster came to the island. While others fled, Sola stood before the creature, alone and unafraid. Since then she's been treated like an outcast. Shamed and feared for an event she doesn't understand, Sola sets out to sea looking for answers. In an endless ocean far from home, she discovers that her island isn't alone-and the Monster isn't the only life to be found in these uncharted waters. Boundless adventure awaits in *Island Book*, an epic tale of friendship, teamwork, and the wisdom we gain when we face the unknown with bravery and an open heart. (STL116416) (C: 0-1-0)

LAURA DEAN KEEPS BREAKING UP WITH ME

(W) Mariko Tamaki
(A) Rosemary Valero O Connell

Laura Dean, the most popular girl in high school, was Frederica Riley's dream girl: charming, confident, and *so* cute. There's just one problem: Laura Dean is maybe not the greatest girlfriend. Reeling from her latest break up, Freddy's best friend, Doodle, introduces her to the Seek-Her, a mysterious medium who leaves Freddy some cryptic parting words: Break up with her. But Laura Dean keeps coming back, and as their relationship spirals further out of her control, Freddy has to wonder if it's really Laura Dean that's the problem. Maybe it's Freddy, who is rapidly losing her friends. Fortunately for Freddy, there are new friends and the insight of advice columnists like Anna Vice to help her through being a teenager in love. THE OVERSTREET COMIC BOOK PRICE GUIDE VOLUME 48

(W) Robert M. Overstreet (CA) Sciver, Ethan Van

Leading off the 48th edition of *The Overstreet Comic Book Price Guide*, former DC Comics President and Publisher Paul Levitz highlights the legacy of *Action Comics* #1 on its 80th anniversary. The spotlight also is turned on 50th anniversary of Marvel's fateful 1968 expansion and the 50th anniversary of *Planet of the Apes* and the comics that followed the original feature film. Add in all the updated prices, current market reports, new additions to the Overstreet Hall of Fame and a selection of key character anniversaries and you have a solid reminder of why the Guide has been the Bible of comic book collectors and dealers since 1970! Premiere DC artist Ethan Van Sciver provides the *Flash/Green Lantern* cover, Ryan Sook provides the *Planet of the Apes* cover, and Howard Chaykin provides an *American Flagg* cover for this year's Hall of Fame edition.. THE WALKING DEAD

Was there anything on any of these lists that you happen to have in your collection? For a full list of top comics from each era, you can pick up your copy of *The Overstreet Comic Book Price Guide* #48 and flip through to page 214 for the Top 100 Golden, Top 50 Silver, Top 25 Bronze, Top 25 Copper, and Top 20 Modern Age Comics.

Of course, we expect to see some changes on a few of those lists once the 49th *Guide* hits shelves this summer!

The comic industry is ever-evolving, and given the amount of work that has to go into just one *Comic Book Price Guide*, that should come as no surprise. Plenty of factors can have a massive impact on where these comics fall on their respective lists, and I wholeheartedly suggest you learn all about those by reading through the 2018 market report from our Overstreet Advisors – they're an absolute wealth of knowledge, and I look forward to sharing the 2019 reports soon!

CBPG #49 Ad Deadline Approaching

The *Overstreet Comic Book Price Guide* #49, which will go on sale Wednesday, July 17, 2019, is now accepting ads.

Since 1970, the *Guide* has been the Bible of serious comic book collectors and dealers alike. Along the way, we have seen the top prices paid for comics go from hundreds of dollars to millions.

During that time comic collecting has gone from a quiet hobby to one with huge pop culture impact. With its proverbial Who's Who of cover artists – starting with Joe Kubert, Will Eisner, and Carl Barks, and including the likes of Mark Chiarello, Darwyn Cooke, Amanda Conner, Walter Simonson, and Joe Jusko – the *Guide* has been there for all of it.

Shouldn't you be a part of it?

To make your ad reservation or payment, contact Carrie Wood, Assistant Editor, at wcarrie@gemstonepub.com or (443) 318-8468.

The deadline for ad reservations is **March 29, 2019.**

OVERSTREET MVC MOST VALUABLE COMICS

Marvel Super-Heroes #13
Cover Price: 25¢
1970 Overstreet Price: $1.50
2018 Overstreet Price: $1,600

Known for: The first appearance of the Carol Danvers, who would later establish herself as a formidable superhero under the alias Ms. Marvel for many years before taking on the mantle of Captain Marvel.
Did You Know?: This issue continued a Mar-Vell story from the previous issue, in which the Kree hero must adapt his powers to better fight Yon-Rogg. The fight between these two would be continued in *Captain Marvel* #1.
For Carol, this marked her first human appearance, as a security chief working under General Bridges. She wouldn't take the moniker of Ms. Marvel until 1977's *Ms. Marvel* #1.

C'MON GIRLS LET'S LEND OUR SIDE A HAND! FOLLOW ME!

During the Golden Age of comics publishers offered titles supporting the war effort presenting fighting men and their feminine counterparts, babes in arms! Comic books during this period featured US service women fighting the Axis and gave noteworthy women artists of the era opportunities to create action-packed, adventure filled four color stories. Pop-culture historian Trina Robbins assembles comic book stories by artists Barbara Hall, Jill Elgin, Lilly Renee, and Fran Hopper together with insightful commentary and documentary extras. Major Malcolm Wheeler-Nicholson's Pulp Comics
Hermes Press

Before Batman and Superman were even a glimmer in Bill Finger and Jerry Siegel's eyes, Major Malcolm Wheeler-Nicholson created National Allied Publications, which would then go on to become DC Comics. This groundbreaking book explores the early history of DC Comics; the pulp stories that formed the basis for all the different kinds of comics that exist today. All the comics included in this tome have been painstakingly reproduced and repaired to show how they would have looked back in the 1930s; and also included are all the pulps that the comics were based on! With an essay from Nicky Wheeler-Nicholson on the formation of National Allied Publications, an introduction by Jim Steranko, and an afterward by comics historian Tom Andrae. (STL087776)

MOON FACE

STATES OF MIND GN

(W) Patrice Guillon, Emilie Giullon
(A) Sebastien Samson

In constant flux between the transient euphoria and utter despair of biopolar disorder, Camille attempts to decode her mind and treat her illness. However, she discovers that the will of the patient is not always enough to cure the ills of the mind, and the only way she can find a semblance of peace is when surrounded and supported, if not understood. It is this compassion which allows her to stay anchored in life, a buoy ebbing and flowing with the ocean. *States of Mind*'s strength is in its unabashed and unapologetic account of the destruction and desolation that the disorder causes, but more importantly, the beautiful humanity and compassion that blossom in its wake. A LIFE IN COMICS: KEVIN EASTMAN INTERVIEW

One evening in 1984, Kevin Eastman and his friend Peter Laird brainstormed the idea of a team of martial arts turtles after Eastman sketched a turtle wearing a mask and wielding martial arts weapons. Drawing upon the comics of the past and the 1984-present, they created the *Teenage Mutant Ninja Turtles*… their homage to everything they liked about comics, including the works of Jack Kirby and more specifically, Frank Miller's *Daredevil*.

35 years later, the TMNT (as their mile-long moniker was shortened to) are a worldwide phenomenon… toys, cartoons, live-action movies. And for their co-creator, Kevin Eastman, its been a long, strange, and wonderful trip indeed. Drawing upon his long history in the comics biz, and his own personal experiences shepherding the TMNT from cult indie sensation to household names, Kevin has launched his own publishing company, Kevin Eastman Studios, to tell his story… *sort of.*

DRAWING
BLOOD

DRAWING BLOOD

draws upon Eastman's own personal history to tell a very similar story to that of his own… early years, the creation of a cult-hit comic book with a very long title, and the subsequent events that follow the explosion of that creation's popularity. Kevin was kind enough to sit down and talk about this new series and its companion one-shot, the *Radically Rearranged Ronin Ragdolls*!

PREVIEWS: *What was the first comic you remember copying from as a kid as you learned to draw?*

KEVIN EASTMAN: *Kamandi*! I Used to trace panel after panel trying to learn how to draw like Jack Kirby. I loved all kinds of comics when I first discovered them - seven or eight-years-old, I believe. I liked some superheroes, quickly gravitating to the more "grounded" concepts, Captain America, Daredevil, and Batman for some reason… but really got into War comics. Russ Heath's *Sgt. Rock*, John Severin's *The Losers*, *Haunted Tank*, and *Weird War Stories*. But the life-changing work for me was Jack Kirby's DC Comics period, especially *Kamandi*. *Planet of the Apes* was the first film I remember seeing in an actual movie theater — the inspiration for *Kamandi* — and growing up in a really tiny town in Maine, I often felt like I *"was"* the Last Boy on Earth — surrounded by mutant animals!

P: *What was the comic shop landscape like in the early 80s when you published your first issue of Teenage Mutant Ninja Turtles?*

KE: Different in many ways, the same in others — comparing the range of quality from a "Mom and Pop"-style comic store to a more professional run one. The stores I went to in the early '80s were more like the first — Mom and Pop-ish, usually owned and operated by a serious "collector" who discovered the Direct Market and found a way to make a very basic living following that passion. They felt and smelled like a good-sized comic book flea market, jammed into a small dusty old "Just off Main Street" shop. I loved the smell of a classic old store (seriously).

One of my favorite memories from this period was riding around with Peter Laird on New Comic Day, sometimes hitting a few different semi-shops looking for new releases that might have been sold-out in one shop, so you raced to another to track it down, or to flip through back-issue bins for a better copy of a book you might have read to death when you were younger, and wanted a fresher version of it.

P: What inspired/motivated you to think you could publish your own comic?

KE: A variety of things all seemed to intersect at the same time. Discovering artists like Richard Corben and Vaughn Bodé in *Heavy Metal Magazine* led me to their underground/self-published works — and the discovery of how many other artists out there that didn't want to be in the mainstream comics business. They loved the medium but didn't want to give up the rights and control of their creations... people like Dave Sim with *Cerebus* and Wendy Pini with *Elfquest*, to name just a few of my favorites.

When Peter and I created the *TMNT*, we felt this was the direction that made the most sense to us, besides, we didn't think it would ever go past a single-issue event, so we scraped together what little money we had, and presented a business plan/loan repayment plan to my Uncle Quentin Eastman, who loaned us the $1,200 we needed to get it printed.

P: How important was publicity to the initial success of the first TNMT magazine?

KE: *Very!* I knew we at least needed to try and get some type of coverage and budgeted for the cost of one paid full-page ad in the *Comics Buyer's Guide* as part of our business proposal to my uncle, as we were only offering it as a "mail-order item" at that time. Pete however, had a much bigger plan in mind. He felt we really needed to send out a bunch of press releases, with images, to a media mailing list (I think he scored it from the library) and make it sound like a really big deal and see if anyone bit. A shotgun blast approach, but it worked! A local reporter ended up doing a little feature in the "Around Town" section of the paper, it ended up going out on the AP service and suddenly we were getting copies of articles from different small-town newspapers all over the country, as well as mail orders for the book!

*P: In your new comic **Radically Rearranged Ronin Ragdolls** you're writing heroes from a different era's perspective. How do they differ from the TMNT and how are they similar?*

KE: It's a "Chicken and Egg" thing really. The ***Drawing Blood*** series is inspired by and exists completely in the world of comics as we know it — it's "our" world, and everyone in it, including myself, is part of it. Much like the TMNT's were built upon, inspired by, and parodied everything that had come before it/or popular in 1984, co-creator David Avallone and I wanted to have our series star, Shane Bookman, inspired by Eastman and Laird, the *Teenage Mutant Ninja Turtles* and some of the other twenty odd "adjective, adjective, adjective, noun" titles from the late '80s like the *Adolescent Radioactive Black-Belt Hamsters*, but set it in the early '90s just as the Image Comics juggernaut launched.

Kevin Eastman (*TMNT*) returns to independent comics with a new creation: an inside look at the turbulent life and times of a once-successful cartoonist on the skids, Shane "Books" Bookman. Once upon a time, Books co-created *The Radically Rearranged Ronin Ragdolls*: a gritty, funny indie comic that became a billion dollar global franchise. Now, years later, the partnership dissolved, the corporate buy-out all spent, Books is struggling to recover from the hit-and-run driver called early success... and looking for the will and the joy to create something new again. Co-created by Kevin Eastman and David Avallone (*Elvira*, *Bettie Page*). (STL116457)

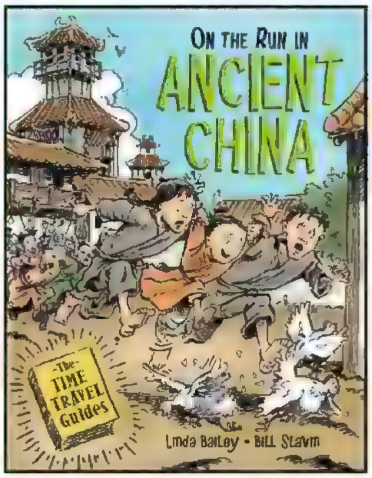
KIDS CAN PRESS



ON THE RUN IN ANCIENT CHINA

(W) Linda Bailey (A/CA) Bill Slavin

It's the tantalizing smell of Chinese food that's enticed the Binkerton children back into the creepy Good Times Travel Agency. Sure, the fried noodles are delicious, but then the shop owner pulls another one of his mysterious guidebooks off his shelf and before they can stop him, he's sent the children hurtling in time once again. This time they land in first-century China, where little Libby quickly manages to slip away from Josh and Emma in an official carriage headed to the capital city. But while she's living the ancient China high life with nobility, the twins get mistaken for barbarian spies and soon they're being chased by imperial guards! Will the twins manage to find Libby, and their way back home, before the guards catch up to them? Available in softcover and hardcover editions. (STL115860) (C: 0-1-0)

THE BOOK OF WEIRDO: A RETROSPECTIVE OF R. CRUMB'S LEGENDARY HUMOR COMICS ANTHOLOGY HC

(W/A/CA) R. Crumb

The Book of Weirdo is the definitive and hugely entertaining examination of *WEIRDO* magazine, renowned underground comix cartoonist Robert Crumb's legendary humor comics anthology, which was originally published throughout the 1980s. A "low-brow" counterpoint to Art Spiegelman and Francoise Mouley's rather high-faluttin' *RAW* comix publication, *WEIRDO* influenced an entire generation of alternative and neo-underground artists. This hardcover anthology features the complete story of the well-recalled comics magazine, along with testimonials from over 130 of the publication's contributors and interviews with *WEIRDO*'s three editors: R. "Keep On Truckin'" Crumb, Peter "Hate" Bagge, and Aline "The Bunch" Kominsky-Crumb. (STL116604) (C: 0-1-2)

Gender Queer: A Memoir

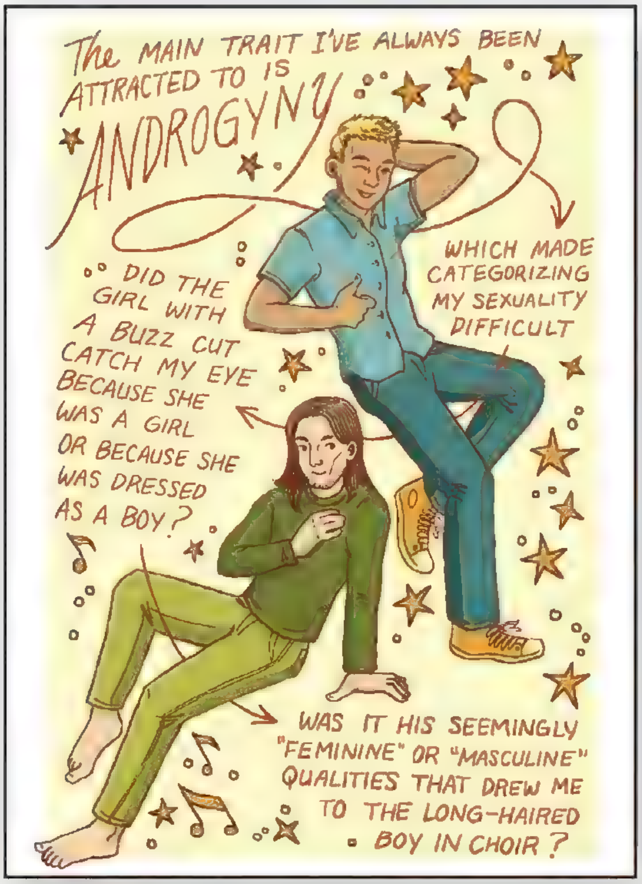
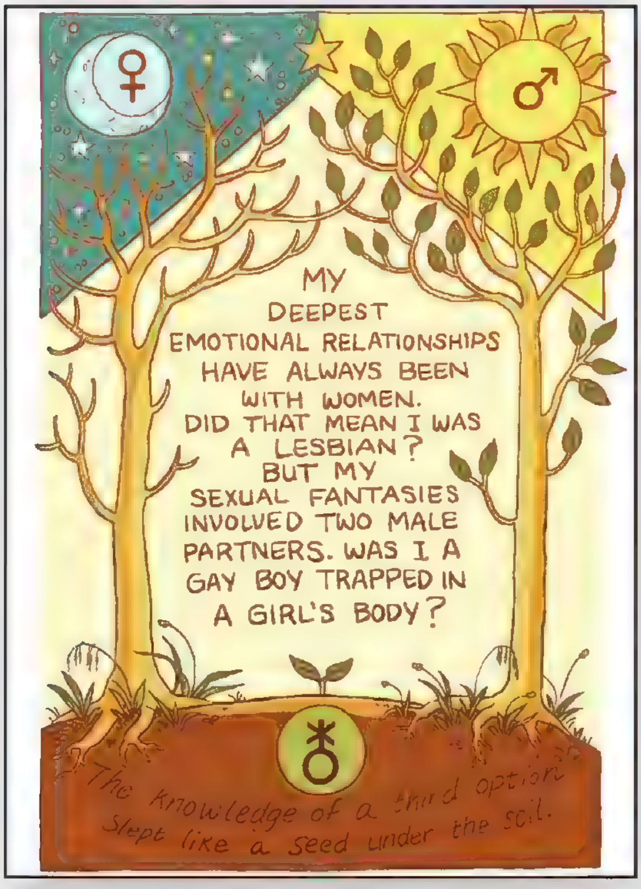
$17.99	FULL COLOR PAPERBACK 240 pages	IN STORES THIRD WEEK May 15	TRIM SIZE (INCHES) 5.75 x 8.25	HELPING HAND PROGRAM

WRITTEN AND ILLUSTRATED BY **MAIA KOBABE**, COLORS BY **PHOEBE KOBABE**

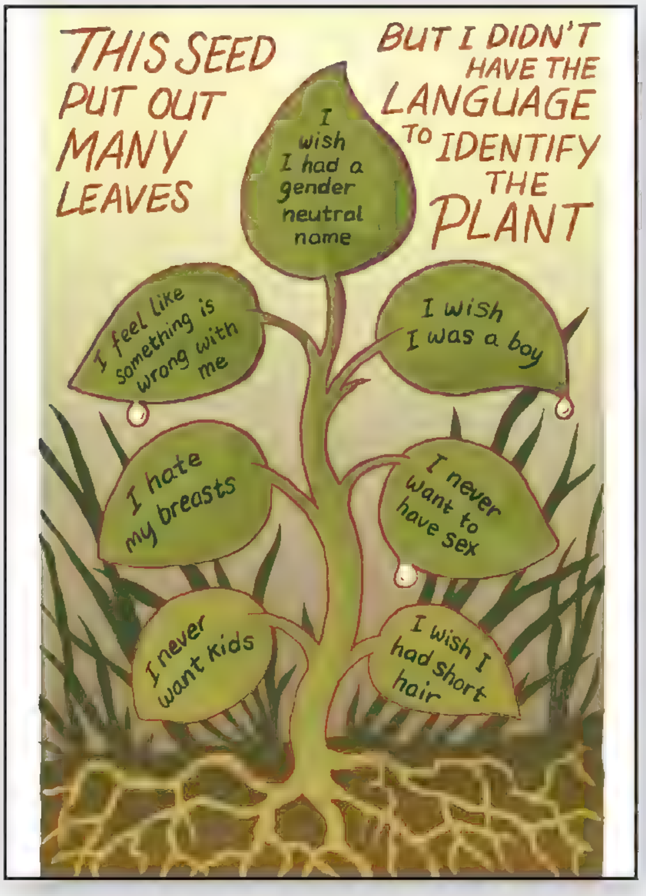
In *Gender Queer*, Maia Kobabe, who uses e/em/eir pronouns, has crafted an intensely cathartic autobiography about eir path to identifying as nonbinary and asexual, and coming out to eir family and society. By addressing questions about gender identity—what it means and how to think about it—the story also doubles as a much-needed, useful, and touching guide.



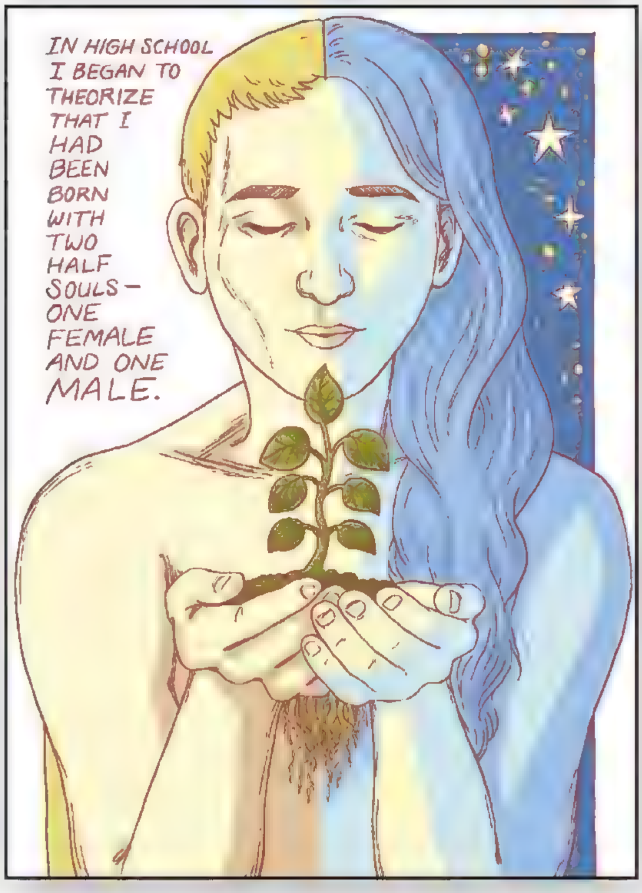
The MAIN TRAIT I'VE ALWAYS BEEN ATTRACTED TO IS ANDROGYNY
WHICH MADE CATEGORIZING MY SEXUALITY DIFFICULT
DID THE GIRL WITH A BUZZ CUT CATCH MY EYE BECAUSE SHE WAS A GIRL OR BECAUSE SHE WAS DRESSED AS A BOY?
WAS IT HIS SEEMINGLY "FEMININE" OR "MASCULINE" QUALITIES THAT DREW ME TO THE LONG-HAIRED BOY IN CHOIR?



♀
♂
MY DEEPEST EMOTIONAL RELATIONSHIPS HAVE ALWAYS BEEN WITH WOMEN. DID THAT MEAN I WAS A LESBIAN? BUT MY SEXUAL FANTASIES INVOLVED TWO MALE PARTNERS. WAS I A GAY BOY TRAPPED IN A GIRL'S BODY?
The knowledge of a third option slept like a seed under the soil.



THIS SEED PUT OUT MANY LEAVES
BUT I DIDN'T HAVE THE LANGUAGE TO IDENTIFY THE PLANT
I wish I had a gender neutral name
I feel like something is wrong with me
I wish I was a boy
I hate my breasts
I never want to have sex
I never want kids
I wish I had short hair



IN HIGH SCHOOL I BEGAN TO THEORIZE THAT I HAD BEEN BORN WITH TWO HALF SOULS– ONE FEMALE AND ONE MALE.

HELPING HAND PROGRAM

WRITTEN AND ILLUSTRATED BY **IOLANDA ZANFARDINO**

Four individuals living in San Francisco are released from the frustrations of their everyday lives by a late-night radio broadcast suddenly hijacked by someone with a message for the world. The passion and honesty of the message steers these four lives in dramatic new directions...

NOTE FROM THE CREATOR

The four characters' individual frustrations are tied to their unfulfilled feelings. I chose colors to fit what each has lost by suppressing their true selves. The red represents Joanne's energy and her love of music, while Mike's green represents his lost calm and contentment. Steph's yellow represents his smile and 'sunshine', and Seika's blue shows her true emotions that she suppresses with her sarcasm.

I'm a big fan of musicals, and I wanted to showcase some subtle tributes to *Rent* in the book: Mike's friend's game's title, Joanne's name and the name of the restaurant she works at, as well as the name of the radio station. The club's name, The Heartbeat, is a reference to the Pulse nightclub in Orlando, where there was the second worst mass shooting by a single gunman in U.S. history. I was in the Castro district in San Francisco that day, and we marched from the Castro to City Hall with candles; it was a very significant moment in my life and identity in the LGBT community.

THE SILENT INVASION VOLUME 2: THE GREAT FEAR GN

(W) Michael Cherkas, Larry Hancock
The paranoia and conspiracy theories continue! Beleaguered reporter Matt Sinkage's quest to discover the truth behind an apparent, government-backed alien invasion of earth leads him to investigate a quasi-religious UFO cult based in an idyllic small American community. Then the sudden death of a prominent politician paves the way for Senator Harrison Callahan to seek the Presidency of the United States. But Sinkage, believing that Callahan is an alien pawn, is determined to stop him at all costs. Volume 1 is also relisted this month! (STL116395)

GIRL IN DIOR HC

(W/A/CA) Annie Goetzinger
The Girl in Dior is Clara, a freshly hired chronicler, fan of fashion and our guide in the busy corridors of the brand new house of Christian Dior. It's February 12, 1947 and the *crème de la crème* of Paris Haute Couture is flocking to the momentous event of Dior's first show. In a flurry of corolla shaped skirts, the parade of models file down the runway. The audience is mesmerized: it's a triumph! Dior's career is launched and Clara's story begins. Soon, she is picked by Dior himself to be his model. A biography docudrama marries fiction and the story of one of the greatest couturier in history. (STK662372)

MARIE ANTOINETTE: PHANTOM QUEEN HC

(W/A/CA) Annie Goetzinger, Rodolphe
During the 1930s, Maud, an artist, discovers gradually that a woman from the beyond is attempting to communicate with her. The revelation is beyond belief: it is the ghost of Marie Antoinette appearing to her to share a terrible secret that has tormented her for centuries. After being guillotined, the Queen is said to have been thrown into a common grave but then exhumed and buried with her husband, Louis XVI, in the Saint-Denis basilica. Yet the ghost tells Maud that her remains are still in the pit, on which a chapel stands today. The queen asks Maud to move her body to the right place so she can finally find peace and no longer haunt people. (STL009762)

THE PROVOCATIVE COLETTE

(W) Annie Goetzinger

"One dies only from the first man," she wrote in 1909. But this death was a new beginning, and the one that signed "Colette" from 1910 onward gradually opened her eyes to her condition of a woman who was an exploited writer and a betrayed wife, and who will emancipate herself by writing, and with what talent! Incredibly complex, powerfully determined, truly gifted, Colette challenged herself to reinvent her life and assert herself as a free woman. In her day, her behavior scandalized and vexed the establishment. But in the end, she helped to free women in their thinking and became member and then president of France's prestigious Académie Goncourt, among many other honors as one of France's preeminent authors. EILEEN GRAY: A HOUSE UNDER THE SUN GN

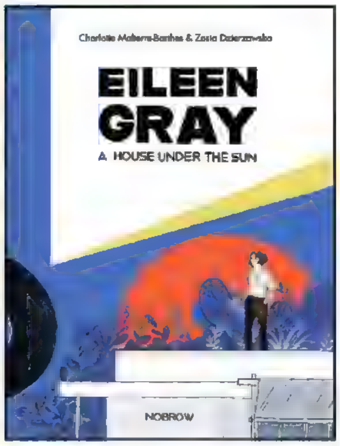
(W) Charlotte Malterre-Barthes
(A) Zosia Dzierzawska



Meet Eileen Gray, the queer, Irish architect behind the world-renowned E-1027 house and a pioneer of the Modern Movement in architecture. In 1924, her work began in earnest on a small villa by the sea in the south of France. Nearly a century later, this structure is a design milestone. But like so many gifted female artists and designers of her time, Eileen Gray's story has been eclipsed by the men with whom she collaborated. Dzierzawska's exquisite visuals illuminate the previously overlooked struggles and triumphs of a young queer Irish designer whose work and life came to bloom during the *Années Folles* of early 20th-century Paris. EMILINE: KNIGHT IN TRAINING

KIMBERLI JOHNSON

Hardcover, 40 Pages, $12.99, Release Date: 07/10/19, ALL AGES

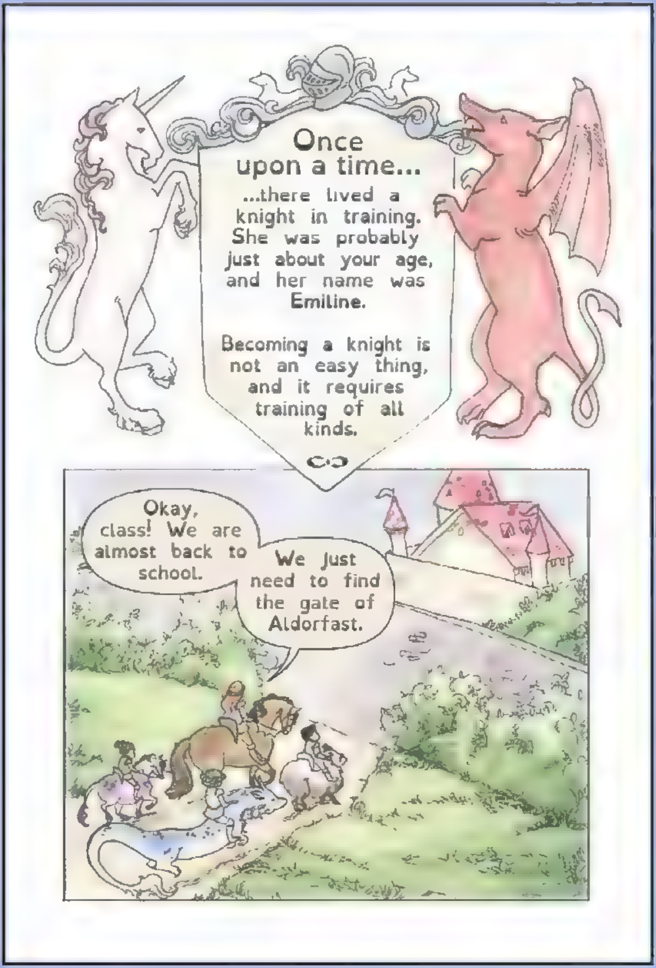
A charming children's story about learning to read, told as a beautiful watercolor graphic novel!

Emiline is learning how to be a knight. There are many skills that knights need: sword fighting, unicorn riding, and PB&J eating! While Emiline is very good at these, she has a hard time reading. But when fixing a dangerous situation means Emiline must read some magic words, she discovers that with practice, curiosity, and help from her friends, she can improve at reading and save the day!

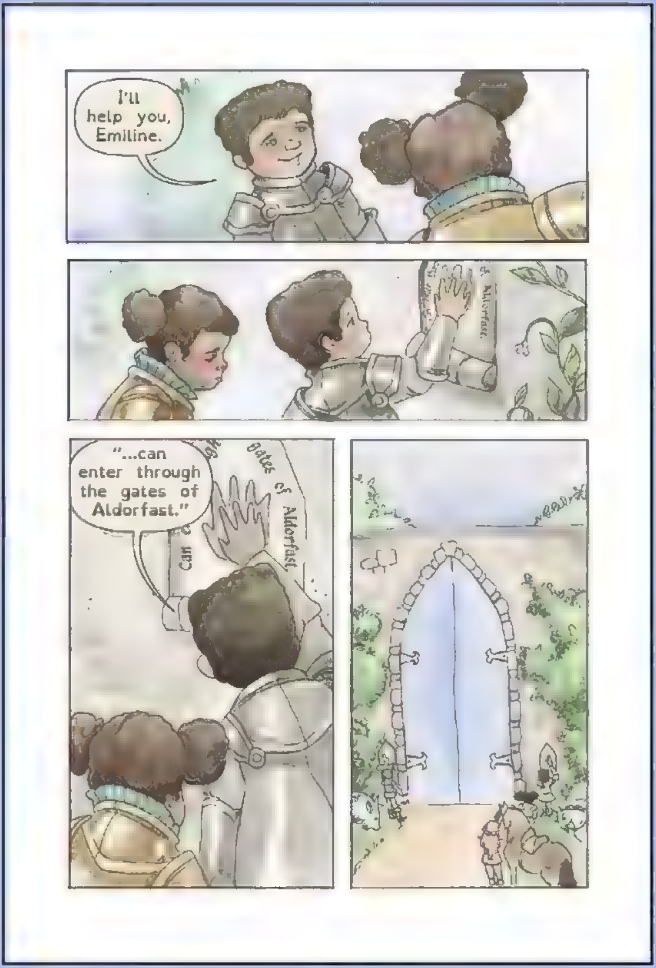
DYSLEXIA REPRESENTATION!

- Dyslexic author Kimberli Johnson creates a relateble heroine in *Emiline*
- The font used inside the book is dyslexic-friendly

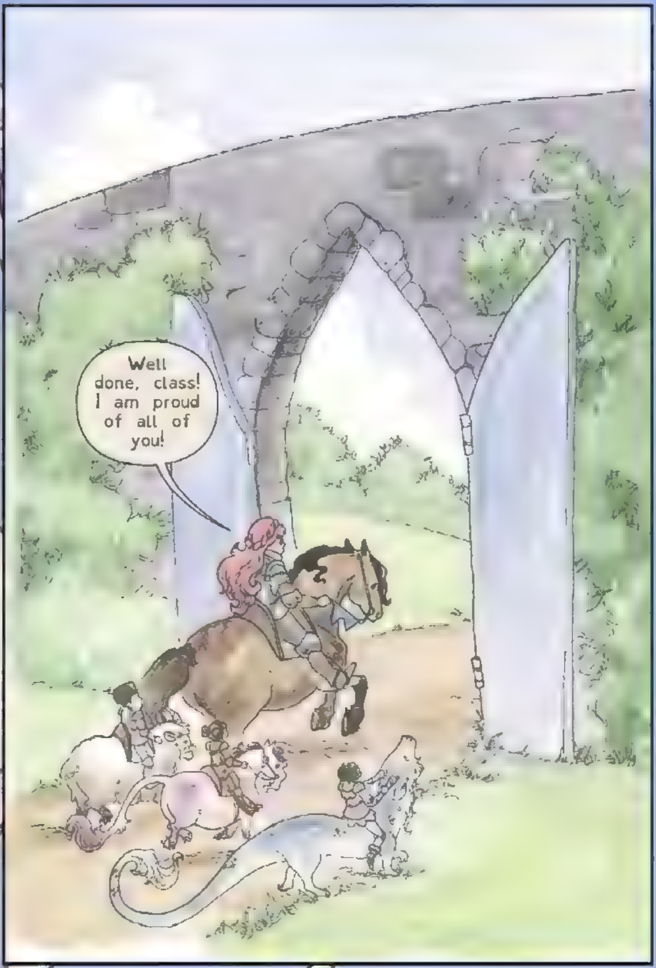
"Both my seven-year-old and I enjoyed *Emiline* immensely! The beautiful art with its soft watercolors and dyslexic-friendly font are very inviting to the reader. The story, which is about problem solving and perseverance, will engage even the most reluctant reader and quite possibly inspire them as well."
—J. Torres (*Teen Titans Go!*, *How Spot a Sasquatch*)



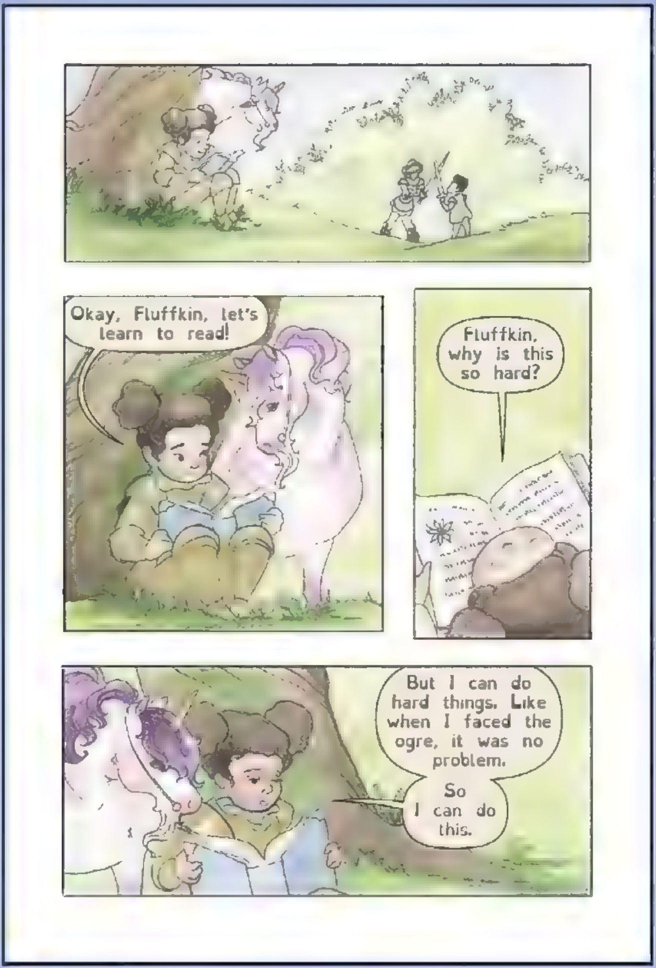
Once upon a time...
...there lived a knight in training. She was probably just about your age, and her name was Emiline.
Becoming a knight is not an easy thing, and it requires training of all kinds.
Okay, class! We are almost back to school.
We just need to find the gate of Aldorfast.



I'll help you, Emiline.
"...can enter through the gates of Aldorfast."
Gates of Aldorfast
Can



Well done, class! I am proud of all of you!



Okay, Fluffkin, let's learn to read!
Fluffkin, why is this so hard?
But I can do hard things. Like when I faced the ogre, it was no problem.
So I can do this.

BAD MACHINERY, VOL. 8: THE CASE OF THE MODERN MEN

JOHN ALLISON (W/A/C/CA)

Softcover, 136 Pages, $12.99, Release Date: 07/31/19, ALL AGES

From the best-selling author of *Giant Days* comes the latest pocket-sized volume in his beloved *Bad Machinery* series!

It's that classic feud: mods versus rockers! As the boys get caught up in the allure of mod culture (the scooters! the hair! the fashion!), Shauna is testing her mettle as the queen of metal. But when the new King of the Mods is crowned, he sparks an all-out war between the musical factions, with the mystery team caught in the mix!

The Case of the Modern Men, the eighth book in John Allison's award-winning *Bad Machinery* series, finds our intrepid mystery-solvers at an age-old crossroads. How does a person become cool? Why can't we all just get along? And could that shiny new scooter be... cursed?

A new, oversized, hardcover edition of the critically acclaimed and award-winning series about presidency and first contact, packed with extras like creator commentary, sketches, concept art, and more! This third volume collects the interstitial one-shots focusing on the astronauts of the *Clarke*—why they signed up for a one-way trip, and what they hoped to accomplish on their journey—as well as the mysterious Builders, who are responsible for the End, a powerful force that hurtles toward Earth and its billions of inhabitants.

President Stephen Blades struggles with how to tell the people of Earth that most of them won't survive the End. But when he learns that even the 666 humans he hand-picked will fall victim to the End, it seems all hope is lost. The same can be said for the crew of the *Clarke*, crash-landed on Mars after sabotaging the Builders and their escape ship. Now at the mercy of the Builders, who have followed them to the red planet in order to exact revenge, Charlotte and Overholt do what they can to keep their crew alive—for as long as they can hold out.

(W) Dan Gearino (CA) Sebastian Biot

Award-winning business journalist Dan Gearino expands on his 2017 book, *Comic Shop: The Retail Mavericks Who Gave Us a New Geek Culture*, with a revised paperback edition. Gearino interviewed more than 100 people, including luminaries such as Steve Geppi, Bud Plant, and Chuck Rozanski; top comics creators; and the people behind trend-setting shops. In a new epilogue, Gearino tells how comics retailers fared in 2017 and 2018, a time when shops struggled to stay afloat at the same time that comics reached new heights as an art form,. The new paperback edition also includes an expanded look at the market of the early 2000s, and profiles of nearly fifty comics shops, including several new additions and key updates. (W) Cortney Faye Powell
(A) Ryan Jampole

The stars of the new best-selling series of chapter books from Scholastic are five flying unicorns known as Melowies. Together they attend a very special magical school known as Destiny, where they each learn to control their very own special power. But right now the high-flying Aerobatics competition between the magical schools of Destiny and Chance is about to begin, and Cleo and Electra are representing Destiny. Cleo has extra motivation as Toby, her friendly crush from the Night Realm is also in the competition. But could a jealous Eris sidetrack Cleo and Toby from reaching the finish line? To win Toby's affection, Eris acquires a mysterious locket from Destiny's resident librarian Circe, who has her own sinister motives. What dark forces await the Melowies? STAFF PICK

SUPERNATURAL: CHILDREN OF ANUBIS MMPB

Recommended by Leigh Tyberg

Supernatural is on its fourteenth season.

There must be some sort of staying power to the show right? I'm currently rewatching from beginning, and I have to say it really does hold up for me. A couple of weirdos traveling the backroads of America, saving people from what goes bump in the night. It's creepy and funny and bizarre, and I have the worst (best!) soft spot for it.

A couple of supplemental comic book series have come out, but sadly they didn't last very long. What we do get, from time to time, are paperback novels, furthering the bloody misadventures of the Winchester boys. They often tackle plots that the show may not have the budget or the time to bring to life on screen.

Case in point, Titan's new *Supernatural: Children of Anubis*. While investigating a murder in Indiana, Sam and Dean stumble onto a Werewolf/Jackal war. Better break out the silver bullets, and hope like hell none of them have a craving for tall, melancholy Midwesterners.

The book takes place during season twelve, and at the time the boys had a lot on their plate. An undead mom, the British Men of Letters. It was a solid season of television, so it's nice to get some supplemental material to fill out some side adventures. Tagging along for the ride is the Winchesters' good natured, adorable werewolf pal Garth, who is an adorable cinnamon roll of a character. *Children of Anubis* is a great addition to the library of Supernatural lore.

RUST BELT GN

(W/A) Sean Knickerbocker
We love to blame the people we don't know and never see. Meet the forgotten people of America's Rust Belt. Some people aren't invited to the Resistance. They meet no definition of the Other. Identity politics excludes them. They're called unlucky when they fall victim to economic injustice. They even take the blame for our national crises – but who are these people? *Rust Belt* looks right at the underemployed, the working poor and the dreamers of America's changing, post-industrial cities. ART MASTERS SERIES: BASQUIAT GN

(W) Julian Voloj
(A) Soren Glosimodt Mosdal
The dazzling, provocative work of Jean-Michel Basquiat (1960-1988) would come to define the vibrant New York art scene of the late '70s and early '80s. Punk, jazz, graffiti, hip-hop: his work drew heavily on the cultural trappings of lower Manhattan. Today, Basquiat's influence can be seen not only in fine art but in fashion, design, and music. This stunning graphic novel captures the dramatic life and exhilarating times of this archetypal New York artist, covering everything from the SAMO graffiti project to his first solo show, from his relationship with Andy Warhol to the substance abuse that would cost him his life. This playful, authoritative biography shows Basquiat's work to be more important, his themes more urgent, than ever before. (STL115615) (C: 0-1-0)

CINEMA RETRO #44

"Girl Power" is the theme of this issue, with female perspectives from writers Dawn Dabell and Diane Rogers exploring how Hollywood exploited the female form in many different ways, including the spy boom of the Sixties with Raquel Welch's *Fathom* and Monica Vitti's *Modesty Blaise*, and the soft-porn blockbuster Emmanuelle films. We have a rare and exclusive interview with *Fistful of Dollars* actress Marianne Koch, and Lee Pfeiffer talks to Stefanie Powers about *The Girl from U.N.C.L.E.* All of this, plus glamour model Pamela Green's memories of making the controversial British chiller *Peeping Tom*, and how both Britain and America portrayed women totally differently in Hayley Mills' *Take a Girl Like You*, and the airhostess comedy *Come Fly With Me*. JOHN CARPENTER'S TALES OF SCIENCE FICTION: SURVIVING NUCLEAR ATTACK #1

(W) Joe Harris (A/CA) Cat Staggs

As the Cold War rose in the 1950s, military hero, Cpt. George Kutter and his family trained to be legacy survivors in the event of an atomic exchange with the Soviet Union. Prepared to wait out the aftermath of nuclear war, they were subjected to numerous simulations, scenarios, and stresses in hopes of helping salvage something of their family, their country and humanity from the ashes of a conflict with the Russians that never happened. But when a group of lost hunting buddies stumble upon a seemingly abandoned fallout shelter in the present-day Pennsylvania wilderness, they'll uncover secrets best left buried. What was the nature of the secret Archonite initiative? What lengths did the United States go to in order to prepare for all-out war and its aftermath? What did the Kutter Family endure in preparation for their duty? And if World War III never broke out... why are they still down there? (STL115972)

LOU SCHEIMER: CREATING THE FILMATION GENERATION SC

(W) Andy Mangels (A) Lou Scheimer

Hailed as one of the fathers of Saturday morning television, Lou Scheimer was the co-founder of Filmation Studios, which for over 25 years provided animated excitement for TV and film. Scheimer's company created the first DC cartoons with *Superman*, *Batman*, and *Aquaman* and swung into high adventure with *Tarzan*, *The Lone Ranger*, and *Zorro*. Forays into live-action included *Shazam!* and *The Secrets of Isis*, and in the 1980s, Filmation single-handedly caused the syndication explosion with *He-Man and the Masters of the Universe* and its successors. Now, Lou Scheimer tells the entire story in this book illustrated with photos, model sheets, storyboards, presentation art, and more. (STK360985)

MODERN MASTERS VOLUME FIFTEEN:
MARK SCHULTZ
THE STARTLING STORY BEHIND Xenozoic Tales, Cadillacs and Dinosaurs and Flesh Adventures

MODERN MASTERS VOLUME 13: MARK SCHULTZ SC

(W) Fred Perry (A/CA) Mark Schultz

The mid-'80s were the age of Independent Comics. And it was also the Age of the Dinosaurs, thanks to Mark Schultz and *Xenozoic Tales*! Evocative of the master illustrators of the early 1900s, but with a decidedly modern flair, Schultz's artwork took off in *Xenozoic Tales*, and later spawned the *Cadillacs & Dinosaurs* cartoon and toy line. This book takes an exhaustive look into Schultz's creative process. (STK354315)

DRAWING BLOOD SPILLED INK #1

Recommended by Matthew Demers

Chances are if you grew up in the 80's or 90's like me you might have a tad bit of nostalgia for a little comic called *Teenage Mutant Ninja Turtles*. There were comics, cartoons, movies, action figures, and videogames. For someone who grew up with that and had *TMNT* seared into their brain, *Drawing Blood Spilled Ink #1* is a really interesting book. Kevin Eastman, co-creator of the *TMNT*, calls this book a "totally fictional true story," meaning that this is a fictional take on his life after having sold the *TMNT* franchise. This gives the reader an interesting impression into the tone of his life following his departure from the evergreen franchise.

Now in this book the Turtles are not explicitly referenced. Instead we get the Radically Rearranged Ronin Ragdolls which are created by the fictional creator in *Drawing Blood*. The Ragdolls show up in *Drawing Blood* from panel to panel, and the really cool thing is that this month we're also getting a one shot comic featuring these characters, too. So not only are we getting a chance to see Eastman satirize his life as a creator but also his most widely recognized work.

Be sure to pick up *Drawing Blood Spilled Ink #1* from Kevin Eastman Studios penned by Kevin Eastman and David Avallone and artists Ben Bishop and Troy Little this May!

WAILING BLADE #1

Recommended by Jim Fallone

I am a sucker for a map. Maps, schematics, cutaways. If you include one of these I am in. So right out of the gate *Wailing Blade* starts well – page one, two maps. The place names like Wind Cleaver's Aerie and Drowned Throat immediately hint the history of a fallen mankind, a near feudal shell of a civilization that once ruled the planets. A world where artifacts of ancient technology are like religious icons. Chief among those is The Wailing Blade wielded by Headtaker, a kind of mix of Headchopper, Claw of the Conciliator, and Lord Soth rolled into one. An imposing and feared being, part myth, part monster and executioner for the all-powerful Tyrant. Who can possibly [illegible] the ruthless villain and [illegible] the people from the iron boot of the ruthless Tyrant? A rag tag party of thieves of course!

Rich Douek gives us a science fantasy world that is part *Final Fantasy VII* mixed with Alex Raymond's *Flash Gordon* and has set in motion a broadly familiar story but just when you think you see where this is going he throws in a panel and shows us Headtaker's eyes. Now all of the sudden this teases us that maybe there is more to this killing machine than we know. Maybe loyalty to the dark side is not blind. Perhaps Darth Vader is chaotic neutral after all? Maybe I've been filling in the blanks all wrong? Damn it, now I am hooked.

This is a bloody world and per panel ratio of rolling heads, entrails and blood splatter but Joe Mulvey's art keeps things light and colorful and just cartoonish enough to balance things out. Overall the book has a RPG feel but in a good way. I enjoyed the *Wailing Blade* #1 because Headtaker, unlike most villains, feels like a Player Character and not an NPC.

More About Manga!

ISEKAI/PARALLEL WORLD FANTASY MANGA

By Carl Li, Associate Editor, YEN Press

When discussing popular manga, one of the major subgenres over the past ten-to-fifteen years has been *isekai*, or "parallel world" science fiction/fantasy.

Often adapted from Japanese prose fiction and light novels, *isekai* narratives typically involve protagonists who are trapped in, whisked off to, or reincarnated into a new world. The goals can vary, from getting back to the real world, to forging a new life, to simply surviving.

I
リーンの翼
The WINGS of REAN

While "transported to another world" stories can be found in Japanese mythology, *isekai* as it is recognized today began to establish itself in the late 1970s and early 1980s with novels such as Haruka Takachiho's *Isekai no Yuushi* ("Brave Warrior of Another World") and Yoshiyuki Tomino's *The Wings of Rean* series.

Is It Wrong to Try to Pick Up Girls in a Dungeon?
1
KUNIEDA

So I'm a Spider, So What?
3

GOBLIN SLAYER

In the 1990s, *isekai* settings became popular in *shoujo* manga, as seen in CLAMP's *Magic Knight Rayearth* and Yuu Watase's *Fushigi Yuugi*. More recently, the subgenre has tended towards incorporating explicitly video game-like elements, and major titles such as Reki Kawahara's *Sword Art Online* and Kugane Maruyama's *Overlord* portray their worlds as MMORPGs made real.

A closely-related subgenre is "dungeon fantasy," which typically involves characters born and raised in (as opposed to being sent to) a world where RPG-style dungeon-crawling is a way of life, such as Fujino Omori's *Is It Wrong to Try to Pick Up Girls in a Dungeon?* and Kumo Kagyu's *Goblin Slayer*.

The embrace of game-like worlds often extends down to the very nuts and bolts of these environments, and it's not uncommon to see characters casually mention "experience points" and "magic points" as everyday knowledge. However, while this may seem strange to fans of more immersive fantasy, the spotlighting of game-like elements actual fuels the appeal of current *isekai* and dungeon fantasy works.

The most popular titles (many of which are listed above) adhere to a certain "power fantasy" aspect, but their ubiquity has also given rise to works that defy or play with readers' expectations. *So I'm a Spider, So What?* features a heroine (most protagonists are male) reincarnated as an out-classed yet eversassy spider. *Delicious in Dungeon* is about a group of adventurers who survive being trapped in a dungeon by figuring out creative ways to cook the monsters trying to kill them!

Isekai and dungeon fantasy can often appear beholden to their conventions, but there is much room for innovative approaches to take root and garner an audience.

HAPPY SUGAR LIFE, Vol. 1

By Tomiyaki Kagisora

Satou Matsuzaka doesn't seem to care about much, moving through boys and casting them aside like so used candy wrappers. All that changes, though, when she meets Shio. The little girl changes everything. Is this love...? If it is, then it's love through a very warped prism as the high schooler demonstrates there's no atrocity beyond her when it comes to protecting the object of her deranged affection.

HATSUNE MIKU ENCYCLOPEDIA SC

Miku Hatsune, meaning "The first sound from the future," is a voice synthesizer featured in over 100,000 songs released worldwide, and is represented by a 16-year-old girl anime character. Since starting her career in 2007, the character of Miku opened for Lady Gaga during the 2014 ArtPop tour, did a "Happy" remix with Pharrell Williams, and served as a muse for designers like Marc Jacobs and Riccardo Tisci in 2016. This book looks at why people are attracted to Miku, what the future of Japanese otaku culture looks like, and more. It comes with an originally designed poster and rubber strap. Why climb Mount Everest? Englishman George Herbert Leigh Mallory said in reply, "Because it is there" in a March 1923 interview with *The New York Times*. On his third expedition to the mountain in June 1924, Mallory disappeared on the North-East ridge during his ascent, having been sighted only a few hundred yards from the summit. In 1993, Makoto Fukumachi, photographer for a Japanese expedition, stumbles across an old Kodak camera. Could it be Mallory's camera? What does its discovery mean for the history of mountaineering and Everest itself? (STK393875)

Acclaimed screenwriter and director Mari Okada (*Maquia, anohana*) teams up with manga artist Nao Emoto (*Forget Me Not*) in this moving, funny, so-true-it's-embarrassing coming-of-age series!

Kazusa was a quiet middle schooler, but when she arrives in high school, she decides to join the literature club. When one of the club's icebreakers is "say one thing you want to do before you die," one of the girls blurts out "sex." That one word is the start of the girls' journey as they soon find themselves pushed into a variety of clumsy, funny, painful, and emotional paths towards adulthood.

KIKANETSU: THE ART OF DAISUKE RICHARD SC

(A) DaisukeRichard

The distinctive quality in Daisuke Richard's work is high school girls in languid poses that arise from the uncertainty that is peculiar to girls during adolescence. Girls in his work show expressionless faces and the artist intentionally makes it hard to gauge their emotions. Pale colors give an impression of the fragility and sweetness of young girls, while each work's unique composition shows the girls dwelling alone in between the two incompatible worlds of adulthood and childhood. Robert Crumb. You know him as the name associated with underground comix from *Home Grown* to *Zap*, from *Mr. Natural* to *Fritz the Cat*. Given his reputation as the king of all things sexual in underground comics, Crumb didn't always rely on his take on the sexual revolution; he could be humorous to the *Mad Magazine* generation years before *National Lampoon* arrived.

Crumb's *Weirdo* influenced generations of indie creators along with being a home for underground comix veterans as their outlets went up in smoke. For almost 10 years *Weirdo* was the true successor to *Mad*, *Help*, *Humbug*, and *Trump* and gave you an alternative to *RAW* or *Blab* and other magazines of that time. *The Book of Weirdo* tells the complete story of this comics magazine, with testimonials from many of its contributors as well as interviews with *Weirdo*'s three editors – Robert Crumb, Peter Bagge, and Aline Kominsky-Crumb – as well as Last Gasp publisher Ron Turner.

Weirdo was considered one of the very best of its kind, a showcase for outsiders, freaks, and (naturally) weirdoes. *The Book of Weirdo* gives you a flashback (acid not included) to what was funny to an older generation and still holds up decades later.

KEVIN EASTMAN INTERVIEW

***CONTINUED FROM PAGE 333**

So, our approach to *RRRR* was to re-create a straightforward, inspired, heartfelt 1992-era homage/parody of all things that had come before it, by a kid who wanted to follow in the footsteps of the giants that came before him. We wanted the passion Shane had as a kid — reading, tracing, and drawing his own comics — feel like it was poured into this origin issue. It is the foundation book to what happens in the overall ***Drawing Blood*** series, and it is all that and more. I LOVE the book!

David and I wrote the story, I did the layouts, and David's script is perfect! The incredible Tomi Varga did the colors — but Troy Little knocked it out of the park and then some. He put SO much into it, and I could not be prouder!

P: *The meta interplay between the graphic novel* ***Drawing Blood*** *and the comic series* ***Radically Rearranged Ronin Ragdolls*** *is unique, and has a strong autobiographical vibe. How much of yourself is in these characters?*

KE: The concept for what would become the ***RRRR***, as well as ***Drawing Blood***, evolved for me, in a collection of sketchbook diaries I noodled in for ten years or so. I originally had a series of different ideas for anthropomorphic characters/stories I wanted to do, but felt most of the ideas worked better as straight up *TMNT* ideas and found the story of the creator(s) behind the creation MUCH more interesting. The diaries followed suit as I jotted down lots of personal experiences as well as tons more told to me over the years by other notables in the industry — usually in a group setting while at a Hotel Bar after a Comic Convention.

The idea of who this creator is, a guy dealing with the aftermath of a very brutal downslide to overnight success and looking for a comeback, was just coming into focus when I met writer David Avallone, twice — in Hotel Bars after Comic Conventions! David and I clicked on so many levels, and after a long session of sharing ideas, I brain-dumped my concept "On the Shoulders of Giants", and we both knew what we were working on next.

David not only brilliantly made sense of years of insane notes and ramblings in the diaries, he also suggested the official series title, ***"Drawing Blood"***. But it has evolved so much farther than I could have imaged. So much so that David is officially the "co-creator" of this intertwined project, and also wrote all of the beautiful final scripts.

How much of it is autobiographical? is a question frequently asked, and easy-ish to answer. We knew we liked some of my personal experiences to be a loose foundation — but my path with the *TMNT* is not a wholly original one. Overnight success musicians, athletes, actors, etc., have fallen into some of the same pitfalls. What we wanted to create was a fictional character we could pour all these shared experiences into — with a ton of wiggle room to tell dramatic and interesting stories.

WOW!

I'll tell people when they ask, *"So this is all you?"* and I tell them, *"By page 6 of issue #1, our lead character is in a gunfight… and I have never been in a gunfight!"*

I also *need* to point out here, among all the things David and I dreamed about for this series and where we wanted to take it (and plan to take it in the future), we had to find the right artist to bring it to life, and we did… Ben Bishop. Not only a native of the great state of Maine like myself, "HE" brought this to life. Brilliant on every level, this kid can really, like *REALLY* draw! An independent, self-publishing quickly-rising star, his energy is infectious and we are so fortunate to have him as part of this series! Ben is the main series artist, Troy little inks Ben's pages here and there for some of the hallucination scenes, and I ink some of his pages for the flashbacks. A truly unique and wild ride I think fans of all genres, especially comics, will completely dig.

***P:** Looking back on the success of the TMNT and the journey they sent you on, what lessons have they taught you?*

KE: All of them really. Everything. Considering that at a very young age, all I ever wanted to do was to write and draw comics, and by the age of 21 or 22 the dream of doing it for a living, for both Peter and I, for as long as it lasted, had come true. I am 56 now, and after I finish this interview, I'm going to go back to my drawing board and work on wrapping on the latest cover for the IDW *TMNT* ongoing series — we're going to hit issue #100 this year, and even I am on the edge of my seat with what's happening in the recent issues — and I am still living that incredible dream. Thanks to the support of so many fans and my family, I get up, every day, and draw for a living.

The life lessons have been epic and awesome as well as heartbreaking and destructive, but I think that is the normal course of life for all of us, and the unexpected places it will take you — *embrace them.* I feel I have been more blessed than I deserve, and could not be more grateful for the life I have been given. If I had one piece of advice for anyone — if you have a friendship, a real one, creatively or otherwise — respect it and protect it — they don't come around often, and you'll miss them if they go away.

***P:** Which creators in any medium inspire you today?*

KE: Holy smokes! That's a loaded question! I am an EPIC fan of… *everything*?! There are *FAR* too many creators working in comics, film, and TV, writers, directors, and actors past and present that have, and continue to inspire, everything that I do. Every day. It's really hard to create a number one, or a top ten, or even a top one hundred…

BUT, with respect to all of them, especially the support team at IDW and Nickelodeon, I would like to single out one guy as a true inspiration — Tom Waltz, co-creator/writer of the IDW ongoing *TMNT* series. Naturally gifted, I find his storytelling style personally compelling and brilliant. As a visionary that needs to balance a variety of respectable input, yet still create a monthly book to call his own — a tale you want to read again as soon as you finish, and curse the 30 days you have to wait until the next issue — that is all Tom.

By the end of 2019, he will have written 100 *TMNT* issues, a true legacy — if you haven't yet, ALL *TMNT* fans should really read this series!

TOY TALK: JEAN ST. JEAN

Toys, Statues and other collectibles don't just magically appear on store shelves. A lot of work goes into the concept, design, sculpting and final production of these items, and many of the people who work behind-the-scenes with companies like Diamond Select, DC Collectibles and Gentle Giant, among others, remain mostly unknown to their appreciative audience: the final consumer.

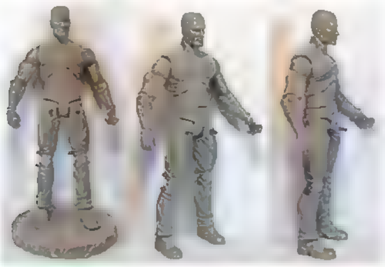
With *Toy Talk*, we hope to introduce you to the artisans behind some of your favorite collectibles, and to let them enjoy their well-deserved moment in the spotlight!

This month, we welcome *DST Sculptor and Designer*, JEAN ST. JEAN...

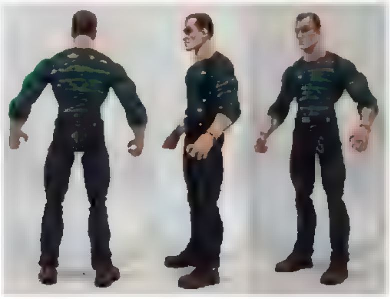
* * *

PREVIEWS*: *What's your origin story? How did you get involved in the toy industry?

Jean St. Jean: I started as a musician and kind of fell into sculpting. The first Burton *Batman* film re-ignited my interest in Batman and comics in general. Initially, I started tooling around with custom work on *Super Powers* figures and Negos until I found a job at a small upstate NY toy sculpting studio doing mostly pre-school toys and dolls. I worked there as a mold maker and apprentice sculptor. Every night I went home and put into practice everything I learned that day, studying anatomy and drapery and building a portfolio. Five years later, I joined McFarlane Toys. About a year in they realized the other sculptors were coming to me for guidance rather than the art director, so I was promoted to "Sculpting Supervisor". In 2004, I left McFarlane and forged *Jean St. Jean Studios, L.L.C.*, offering sculpting, painting and prototyping. Chuck Terciera of Diamond Select Toys (DST) was the first person to contact me after I started freelancing. Since that first contact, I've worked on Diamonds Select's *Stargate* and *Battlestar Galactica* toy lines, *Batman 1966* figural busts, Marvel statues and action figures, Universal Monsters and *The Munsters* action figures, and *Sin City* toys, among others! I've also contributed to product lines for *World of Warcraft* (DC Direct/Blizzard), *Thundercats*, *Texas Chainsaw Massacre* and *Nightmare on Elm Street*, *Bugs Bunny* (Mezco Toyz), *Flash Gordon*, *The Big Lebowski* (Biff!Bang! Pow!). Creatureplica, is my first foray into an original toy line, partnered up with Jeffrey Beyers, Nick Epley and Craig Deere of Pana, Illinois and focuses on folkloric monsters such as the Yeti, Sasquatch and the Mothman. Currently I'm focused on Diamond Select's DC / Marvel Gallery and Premier statue lines.



Marvel Select Sandman

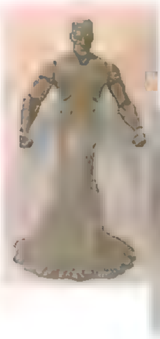


PREVIEWS*: *Take us through your process... How does the product go from paper to a finished model?

Jean St. Jean: Initially, I become familiar with the character, pick up some graphic novels or collections, mine the Internet for reference pics and take a look at what other product has been done for the property. This helps me to set an interpretation of the character as to how the art work translates into three dimensions. Then I print out the concept art to scale and use that to size out the rough figure work. I study all the aspects of the character's anatomy, costuming and environment and find photographic reference to enhance all those compositional elements with realistic textures and proportions. I disassemble the figure and base into basically, a keyed model kit, then do all the final clean up and detailing. At that point, it's submitted to DST, and then the licensor for approvals on the sculpt. Once over that hurdle, I put together a paint guide for my painter and we finish a paint master which is also submitted. After final approval a tooling master (unpainted copy) and a painted copy are sent to the factory for production.

PREVIEWS*: *From Select Action Figures to Statues and PVC Figures, you've sculpted nearly everything imaginable for DST... How does your process differ from product to product?

Jean St. Jean: The main differences in approach are dictated by product category and production material. For an action figure, I sculpt a very rough proportional figure, and then I focus on building the armature parts for the articulation points. From there I install all of the joints in the rough figure, then move on to detailing. PVC statues are similar in that the same tolerances for production apply. We can get thinner walls and more delicate parts on a PVC injection molded figure than a resin statue. For a resin statue, I have to be more mindful of delicate parts not being too thin so as to avoid breakage in production, and parts like capes have to be thicker in general also for strength and material flow in the molds. Concept art doesn't always take these things into consideration, so I have to interpret the art with an eye towards the type of product we are making.



PREVIEWS*: *What was your process for the Marvel Select Sandman action figure? Any challenges?

Jean St. Jean: I approached Sandman similarly to my Venom and Carnage sculpts in that he also has "swappable" accessory parts. All the alternate arms/hands and sand effects have to attach to certain joints in exactly the same way so aesthetically, you're limited to working around that play feature. So, once I roughed out the basic proportions I had to decide how all the accessory limbs would attach and which aspects of the art would or wouldn't translate into 3D. The challenge with Sandman, is he's pretty much a regular looking guy, so in order to make him feel imposing, the sand effects have to be cool and over-the-top and I also made him a bit bigger so he could be seen as in mid-transformation scale wise.

PREVIEWS*: *You've seemed to work with every character/franchise/brand/license under the sun... Do you have a favorite?

Jean St. Jean: I have a soft spot for Batman; I started watching the '66 show the year it came on, when I was one-year old and it left an indelible impression. When Chuck told me about getting the license, I wanted as much of the line as humanly possible. At this point I've done 24 pieces for the line, mostly busts, a few banks and a couple statues. Universal Monsters was also a big bucket list project and a property I grew up on. I did all of that line except for the first few, and it was a blast.

PREVIEWS*: *Do you have a favorite product you've worked on?

Jean St. Jean: I think my favorite project was the *Marvel Milestones Tomb of Dracula* statue. Easily my favorite comics growing up with Gene Colan, one of my favorite artists. I harassed Chuck about *TOD* until he struck a deal with me. If I sculpted a really cool Spidey for him, I could do Dracula. So, I sculpted a *Milestones Spider-Man* to go with a *Carnage* I designed and sculpted for the line, and I was off to the races designing and sculpting Dracula! I met Gene Colan at NYCC one year and sent him a copy of the statue which he really liked. That was an awesome feeling.

You'll have a friend in Beast Kingdom's ***PREVIEWS* Exclusive** action figures featuring Woody and Buzz Lightyear from *Toy Story!*

No guarantees that these two toys can talk (well, at least when you're home), but they're definitely be the star of your Disney collection.

These figures bear an exact likeness to their on-screen animated counterparts. Woody features Andy's name on his foot and is packaged with his signature cowboy hat. Buzz Lightyear comes with a pair of detachable wings and is ready to take flight!

Recreate your favorite scenes from the *Toy Story* franchise with tons of interchangeable parts! Woody will tell you to reach for the sky with pointy gunshot hands and Buzz Lightyear will fight off Zorg with his clenched fists. Express all of their emotions with replaceable faces.

Before *Toy Story 4*, the finale of one of the most beloved animated franchises, hits theaters Summer 2019, be sure to add these ***PREVIEWS* Exclusive** figures to your collection!

HASBRO HONORS A HERO WITH MARVEL LEGENDS LINE FOR CAPTAIN MARVEL

Just in time for the release of Marvel Studios' groundbreaking movie and this month's ***PREVIEWS*** theme "Women In Comics," Hasbro is offering their *Captain Marvel* line of Marvel Legends action figures.

Earth is caught in the middle of a galactic war between two alien races and Carol Danvers is here to end it in what is sure to be one of this year's biggest blockbusters. With these figures, fans of the Marvel Cinematic Universe can reenact the epic battles they experienced in the theaters.

For the *Captain Marvel* line, Hasbro is bringing some of the most-anticipated characters to three- dimensional form. The line of seven figures includes two figures of Captain Marvel, one in her iconic costume and one figure that features a bomber jacket. Other figures include Nick Fury, Talos, Starforce Commander and Genis-Vell. Collect all seven figures to build a Kree Sentry figure!

Join the battle at theaters – and comic shops – with Captain Marvel!

EAGLEMOSS BRINGS *BATMAN: ARKHAM ASYLUM* HOME WITH A FIGURINE SERIES

M-34

In the ten years since its release, *Batman: Arkham Asylum* and its sequels remain as innovative and ground-breaking as they were upon release. Acclaimed for the gameplay, storytelling, and evocation of the DC Universe, these games set the bar for all super-hero games that followed. Eaglemoss celebrates a decade of *Arkham Asylum* with the *Batman: Arkham Asylum 10th-Anniversary Collection*, a figurine series inspired by the game's designs, and it's only appropriate that the first piece in the collection is Batman himself! Begin a new collection this May!

FEEL THE POWER OF THE BLACK PANTHER WITH DIAMOND SELECT TOYS' NEW BUST

M-20

In the year since its release, the acclaim for Marvel Studios' *Black Panther* film has only risen. This spring, Diamond Select Toys brings fans of the film a stunning bust of the *Black Panther*'s titular hero — the *Legends in 3D: Black Panther Movie 1/2-Scale Resin Bust.* Standing 10" tall and limited to only 1,000 pieces, this bust depicts the masked Black Panther and will look fantastic in your collection!

ONCE AGAIN A GOD OF THUNDER, THOR BEGINS A NEW KOTOBUKIYA STATUE LINE

M-73

No longer worthy to wield the enchanted hammer Mjolnir, Thor Odinson was replaced by Jane Foster as Asgard's God of Thunder. Her sacrifice made him once again worthy to wield Mjolnir's shards, and as a God of Thunder once again he forged an arsenal of enchanted weapons. Kotobukiya begins a new statue line with Thor with their *Marvel: Thor Odinson ArtFX Premier Statue*, a 1/10-scale, digitally sculpted statue that boasts life-like details and an exquisite sculpt that will captivate any fan!

ASSEMBLE THE AVENGERS WITH BEAST KINGDOM'S EGG ATTACK ACTION FIGURES

M-95

Avengers: Infinity War was the film of summer 2018, and its sequel, *Avengers: Endgame*, is the must-see film of summer 2019. Beast Kingdom revisits the Marvel Studios film with two new *Egg Attack Action* figures, the *EAA-070: Iron Man Mk. 50 Figure* and the *EAA-073: Captain America Figure*. Each figure, exclusively available through ***PREVIEWS***, stands over 6" tall, and comes with accessories. While you wait to see how Earth's heroes can defeat Thanos this summer, order Beast Kingdom's *Avengers: Infinity War Egg Attack Action Figures!*

FINAL FANTASY BRING ARTS: CLOUD STRIFE ANOTHER FORM VARIANT ACTION FIGURE

From Square Enix. Final Fantasy VII protagonist Cloud, who has wandered into another world, now joins the fray as a Bring Arts figure. We have recreated the characteristics of Cloud's face and the saturation of the colors on his clothing, based on Tetsuya Nomura's illustration. The pauldron on his left shoulder and the armor on his hips are designed so that they won't interfere with the range of motion, in order to allow for more dynamic posing action. Additionally, fine textural details are apparent on his cape and the bandages wrapped around his buster sword. Not only can the cape on Cloud's left shoulder be swapped with a wing, but the accessories included are quite robust, as it comes with the buster sword and a total of four interchangeable hands. You'll enjoy an amazing variety of poses, in any situation in this figure. Figure includes display stand. (STL116409) **Item has been previously solicited in New to Order.** Scheduled to ship in August 2019. (1089/STL116409) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

NIER AUTOMATA BRING ARTS: 2B / YORHA NO. 2 TYPE B 2.0 ACTION FIGURE

From Square Enix. YoRHa No.2 Type B (commonly known as 2B), the all-purpose combat model who is sent into the fray by humankind to regain Earth, is now available as a Bring Arts figure with a completely new mold. This new figure recreates the in-game 3D model more accurately than ever before. This figure recreates the cool demeanor of 2B with details such as the paint application that brings a premium feel by adjusting the gloss, the embroidery on her costume, and beautiful translucent white hair. The figure also comes with a variety of accessories including four weapons: Virtuous Contract, the Virtuous Treaty, Cruel Arrogance, and Cruel Lament; three head sculpts, seven hand parts, an articulated pod, a black box, and a post-self-destruct torso. This figure provides has even greater ability to recreate various scenes from the game! (STL116410) **Item has been previously solicited in New to Order.** Scheduled to ship in August 2019. NIER AUTOMATA BRING ARTS: TRADING WEAPON COLLECTION

From Square Enix. Ten of the memorable weapons from *NieR:Automata* are now available in the Bring Arts line as the Trading Weapon Collection! These weapons can be used by your Bring Arts figures and allow for the recreation of various scenes within the game by combining them with 2B, or with the upcoming releases of 9S and A2. Not only are these weapons usable by the figures, but they also come with original stands to allow for a unique display. Each weapon is weathered to match their in-game texture such as rusting and weathering to recreate its appearance. Also included with each weapon is a booklet that includes their story; this will add even more to your enjoyment of the world of *NieR:Automata*. (STL116411) Item has been previously solicited in New to Order. Scheduled to ship in September 2019. DARK SOULS

DARK SOULS III: BONFIRE 1/6-SCALE LIGHT-UP PVC STATUE

From Gecco. The Bonfire holds many sacred and important meanings in the *Dark Souls* series. We are excited to present this monumental fire as a 1/6 scale statue. No detail was left uncaptured. The burnt bones buried in ashes and the coiled sword were traditionally sculpted in clay by Shinya Akao. The complex surging flame was digitally sculpted by YU-KI. As a surprising feature, the flame is lit by inserting the coiled sword into the earth just like in the video game scene. The details really shine from within, lighted by a special flickering LED. The bonfire statue displays beautifully as a stand alone piece but also creates an impressive display next to other Dark Souls 1/6 scale statues. The perfect addition to your 1/6 scale Dark Souls statue collection. (STL117091) **Item has been previously solicited in New to Order.** Scheduled to ship in October 2019. (3293/STL117091) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DARK SOULS: MIMIC CHEST RESIN STATUE

From First 4 Figures. First 4 Figures is proud to present the highly anticipated *Dark Souls – Mimic Chest* statue Sleeping in the corners of Lordran, the Land of Ancient Lords, are these seemingly harmless treasure chests awaiting discovery. Sooner or later, inexperienced and greedy travelers would befall the Mimic's clutches as they attempt to retrieve the treasures within. Mimics are unique monsters disguised as treasure chests. If players mistakenly open one of these, it will grab and sink its teeth into them with no remorse. If attacked, it will reveal its true and intimidating nature and shred the ill-fated apart. Rumor has it that the treasures they keep are belongings of their unfortunate victims of past. There are tells, however, to differentiate Mimics from normal treasure chests, but we'll leave that up to players to "Git Gud" and learn themselves. (**HINT**: Pay close attention to the chest's chain, and like any other living creature, what do they need to do to survive Includes resin statue, base featuring the inscribed element of Messages, and an Authentication Card. (STL114847) **Item has been previously solicited in New to Order.** Scheduled to ship in May 2020. (7717/F4F137) (C: 0-1-2)

AVENGERS: INFINITY WAR EAA-070: IRON MAN MK50 PX ACTION FIGURE

From Beast Kingdom. With the fate of the universe at hand and the Avengers reaching breaking point with Thanos' pursuit for the Infinity Stones, Tony Stark needs to up his game yet again, and arguably delivers the pinnacle of his Iron Man suite development! Beast Kingdom proudly introduces the EAA-070 Mark 50 action figure, the most advanced Iron Man battle suite ever developed. Using Nano technology, the entire suite is stored inside the Arc Reactor itself, allowing Tony Stark to summon it at will, and unlike the traditional multi-piece segmented suites, Mark-50 utilizes a much sleeker, 'organic' aesthetic, including regenerative abilities.The EAA-070 comes with a host of extras including the battle ready Rupulsor Cannon, prepped to appear anytime to tear down enemies at will. The added flames for the feet and hands really let Iron-Man soar to new heights! So, ready for flight? Attach the removable Nano Boosters on the back to get the jump on any of Thanos' minions! The vivid metallic red, gold and silver accents are complimented with awesome light up elements in the Arc Reactor & eyes, showcasing the great focus on detail befitting of Stark Industries themselves. (STL114861) **Item has been previously solicited in New to Order.** Scheduled to ship in November 2019. (3389/EAA-070) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and Mexico.

AVENGERS: INFINITY WAR EAA-073: CAPTAIN AMERICA PX ACTION FIGURE

From Beast Kingdom. The Sentinel of Liberty, Captain America, charges into battle with a little help from Wakanda technology. As the battle with Thanos wages on, we find Steve Rogers, tired, battle weary and with a ragged beard to boot! Beast Kingdom is proud to present the latest incarnation of The First Avenger, in the midst of the Battle of Wakanda, the frantic fight against world destruction. With intricate paint detailing a battle worn costume, and a host of extras including a utility belt, Captain America fights on with his included vibranium shields given to him by the Wakanda King, Black Panther himself! Need to dish out some blows? Then Cap is ready with an amazing 28 points of articulation, and his double edged vibranium spear, which is perfect to slice down the hordes of The Black Order creatures seeking to destroy the Avengers! With a strict focus on detail, the EAA-073 is the perfect addition to the growing roster of Earths Mightiest Heroes, so why not re-enact the most famous scenes from the great battle and order one today! ZWEIHÄNDER: GRIM & PERILOUS RPG HC

(W) Fox Daniel

Using the classical d100 system, you will create grim characters, write perilous adventures and build low fantasy and dark fantasy campaigns. These rules are perfectly suitable to run Renaissance and medieval-styled adventures, too. You can also use this book to create your own home-brewed worlds, whether inspired by the works of Andrzej Sapkowski's *The Witcher*, George R.R. Martin's *Game of Thrones*, Glen Cook's *Black Company*, Myke Cole's *The Armored Saint*, Robert E. Howard's *Solomon Kane*, Scott Lynch's *Gentlemen Bastards*, or other "grimdark"-inspired media. This all-in-one game includes most of what you need to play: a character creation guide, game mastery rules and a bestiary brimming with creatures both fair & foul. All that's left are a few friends, pencils, and a handful of dice. (STL117324) (C: 0-1-2)
